Cover Story

5th February – Dover RSL.

A fine day greeted us as we gathered at the Civic Club carpark for briefing for the run to Dover. We left on “MG Time” and travelled along the Southern Outlet and Huon Highway for coffee at Huonville.

Once coffee was had, we headed south. After Waterloo we turned left and took the scenic route to Dover via Police Point. This road is obviously a popular road for motorbike riders as we encountered many.

We arrived at Dover RSL where 27 MG Car Club members enjoyed wonderful company and a very nice lunch.

A good day was had by all!

Stephen Huntley

Club Captains Report

February's competition events consisted of Maxies Motorkhana and the 1st round of the Tasmanian Super Series.

The event at Winkleigh attracted 19 entrants from all parts of the State with the wind and dust playing a major role as the morning wore on. Congratulations to those who braved the conditions.

Max and Winsom hosted a picnic after the runs had finished with only the gas BBQ available.

For those that attended it was a very enjoyable day. An added bonus was a look into one of Max's sheds. Thanks again to the Freelands for allowing us to use their wonderful property.

The following Sunday the action was at Symmons Plains with our club hosting the 1st round of this years Super Series. A field of over 70 cars meant the racing was thick and fast. Some of our own members competed in the regularity whilst others assisted with officiating. The weather was a bonus as it was sunny all day without being hot.

There are no Club competition events in March but round 2 of the Super Series will be run at Baskerville on the 18th & 19th by the HSCC.

Over the April Easter period the National Meeting is being held in Adelaide. 29 intrepid travellers are heading over to participate in this fantastic event. The fun starts with a group tour led by our for Editor and Membership officer taking the long route to Adelaide. The long way home via the coast road is also on the agenda.

This promises to be a good dress rehearsal for our Nat Meet next year.

Our next club competition event is a Motorkhana at Bothwell on April 30. Contact Robin Wilmot if you have any queries.

Till next month

“B” aware of Zeds

PS: For those not aware the Club is selling raffle tickets to raise funds to assist us in the running of next years Nat Meet.

Prizes consist of a voucher for return trips for 2 travelling with a standard car (good for 2 years).

1st prize..... a deluxe cabin

2nd prize.....a porthole cabin

3rd prize.....an inside cabin

Tickets are only \$10 each

Prizes will be drawn in Adelaide at the presentation dinner.

With less than a thousand tickets sold your chances of winning a prize is good.

If you wish to purchase them please contact me before I go to Adelaide (sailing April 7).

NON-DESTRUCTIVE TESTING SERVICES

Mechanical, Structural, Automotive crack testing & condition assessment of all ferrous and non-ferrous materials

Mechanical components are subjected to stresses in service from dynamic and static loading, temperature changes and corrosion resulting in cracking which can remain undetected visually until there is a catastrophic failure. This can be accelerated by exceeding design loads, inadequate maintenance or remaining in service in excess of the lifespan intended by their designers.

The correct NDT method applied according to strict guidelines by a trained and certified technician can detect cracking in metallic structures, welds, castings and forgings before they are large enough for the part to fail in service.

For advice and applications talk to **Chris Blake** to discuss your requirements large and small, I have tested everything from wheel studs to Hydro turbines. Full reporting provided to Australian Standards, I am certified to AS3998/ISO9712 with the Australian Institute of Non-Destructive Testing (CB# 4679) and carry full public liability insurances.

Greetings,

Another strong turn out with 50 persons in 28 cars travelling 56km to the Beltana Hotel via Lauderdale, Campania, Grass Tree Hill, even avoiding sight of the Risdon Prison thanks to Pete Shaw's local knowledge missing messy road works. An enjoyable \$17.50 seniors lunch!

February – Redlands Distillery, Kempton.

On a cool day that had a mixture of rain, wind, squalls and sunshine 18 enthusiasts, including Phil Rollins, departed at the appointed time with Bruce taking us on a devious route through the city as the fun run on the

bridge was in progress. It was a rather uneventful run to the Brighton Bakery where we were joined by David Scott for coffee while John McCabe continued on to Kempton. On the way from Brighton to Kempton Frank could barely contain the horses under the bonnet of his Mustang and Herby was very twitchy.

At the destination we were joined by Denis and Kathryn Laing (long time no see!) and Brett Johnstone, bringing our numbers to 22.

The Redlands Distillery was re-located from the Derwent Valley to its current abode at the beautiful Dysart

House in Kempton which was built in 1842 by William Ellis as a grand coaching inn. The copper still is located in the horses stables adjacent to the house.

There was not much on offer for something to eat at the distillery, so the majority of our members found their way between showers to the Kempton Hotel where the meals were quite good from all reports. Some stayed for the last 3 Devonshire teas. Bruce, not being sure what a “Road Closed” sign meant proceeded past said sign and parked right outside the hotel. After the usual banter among good companions we headed home.

Chris caught up with Emma at the festival and she was very apologetic about the lack of food at the Distillery and has offered a free tour and tasting when next we visit Dysart House

Deloraine Rotary Club Car Show Run

The weather forecast was not good and a look out the window confirmed this so only four cars arrived at the car museum for a 9.30 am start. Bill Griffiths with friend Ivan led the way in his Talbot with three MG's following, Frank and Margaret Brook, Peter and Liz Harper, Bruce and Robin Keogh. A great day was had with the men looking at a fantastic collection of beautiful unique pre 1988 cars from all manufacturers which filled the streets of Deloraine. The ladies however hit the shops looking for bargains before meeting up for lunch. The atmosphere was fantastic with singers and dancers playing 60's music, rock & roll dances with some of the huge crowd wearing period dress as memories came back and the rain stayed away. We will be back again next year!

Run to Bridestowe Estate

Sunday 26th was a lovely day and there were 36 starters for the run to Bridestowe Lavender Farm. We set out from the Motor Museum at 10.30am to arrive at the car park at the top of the Sideling for coffee.

This open air “restaurant” allowed everyone to mix and chat before moving on to the Lavender Estate.

The car park at the top of the siding.

**Frances Jeeves, Angela Dilger, Sue Paine, Liz Harper, Sue Merry, Jenny Saunders

A couple of old members, Paul Rosetto and Des Hogan spending the day

Jim Dickenson introduced “Little Mittzy”, his new toy to the club and enjoyed a run over the sideling with the top down.

After getting everyone back into their cars we headed to Scottsdale and then towards Bridport.

After approx. 1.5Klms down the Bridport Road we turn off and headed to Lilydale and our ultimate destination Bridestowe Lavender Estate.

We welcomed a new member Tim Keogh (no relation to Bruce and Robin) who purchased Andrew Merry’s MGB roadster following Andrew and Sue moving up to a 2003 MG TF. Peter and Liz Harper had their new white MGF out for the day and jointed the ever increasing modern “F” and “TF” MGs coming into the club.

The staff at the restaurant at Bridestowe were great hosts, serving a light meal that allowed plenty of room for the lavender ice cream that most approached with some apprehension as lavender did not appear to be a flavour associated with ice cream.

However any apprehension was lost once we started to eat.

(Not sure what Phil Tilley is doing to help though)

Robert and Patricia Brooke (prospective members) joint us in there 1954 “R” type Bentley which showed admiral pace over the sideling but faltered at the gates of Bridestowe. The problem eventually turned out to be a coil and the Bentley completed the journey home on the back of a truck courtesy of RACT Ultimate.

Part of the group at the Lavender Farm

This is the tail end of the line-up of cars and that’s Andrew Merry giving some kind of instructions.

Good to see Michelle and Ray back after having their car repaired following an excretions off the sideling.

Some of the group that joined the day enjoying the sunshine and warm weather, the remainder were still in the restaurant.

The trip home was at our own pace and direction but most went through Lilydale with some stopping for coffee at what used to be the bakery.

Photos were supplied by Francis Jeeves and Mark Dilger if you would like a copy contact Mark and he can email them to you.

A volunteer to organise a run for May would be appreciated as I will not be back till the Sunday before our Forth meeting.

Information required at least a month before so it can be printed in the Magazine.

Meeting Thursday 11th May Forth Hotel.

Forth Hotel Social run

Was lucky enough to be in the NW region on the day of an outing from the Forth Pub carpark to the Don River Railway.

With almost perfect weather, a scenic tour of the Forth area on some very “drivable” roads, the outing was complemented with an informative tour of the Don railway and workshops (Tony) with the bonus of a relaxing train ride from the railway complex to Coles beach, where the locomotive ran around the carriages for a similar return trip.

A BBQ in the nearby reserve completed the day in satisfactory style.
