Presidents Report

Another month has gone by and all the Sub-Centres have had the AGM's with the elections of committees, containing new members for the next 12 months.

All centres have an excellent line up of events over the coming months, so go along and join in the runs and fun.

The State AGM is coming up on the 28th November in Hobart and there are still positions that need to be filled: Secretary, Club Captain, Editor and Webmaster, so please consider any of these positions.

Competition wise there was a combined Club Day with the Mini Car Club on Sunday 25th October with 32 entries. There has been no further information regarding the 2016 CAMS Competition, any changes were to be in place by the end of October.

The next competition event conducted by the club is on the 7th – 8th November, Tasmanian Super Series round 6, including the Formula Vee's National Challenge at Symmons Plains Raceway. There will be 34 Formula Vee's from around the nation.

If there are any members that have a couple of hours to spare we are always looking for helpers, "gofers" throughout the weekend – please contact myself or Robin Wilmot.

I would like to thank the members who have served with and assisted be over the past 12 months enabling my position of being President a smooth transition.

I look forward to seeing you at the Concours, AGM and Presentation Dinner all on November 28th in Hobart.

Happy MGing
Zube

Ed Says

There are those within the club who seem to think that just because someone has taken on a role for the club and they are doing a good job that you should just leave them to it and let them do it until they are sick of it. This is not a good way to run a club, in the past we have had members who have taken on roles for extended periods and then they just walk away from the Sub-Centre or State committee sometimes never to be seen again. A better way is for all members to think about taking on a role and doing their part for 1 or 2 years at a time and cycling through different roles. We have been fortunate with some newer members taking on roles in the last couple of years. One of note is Brett Johnstone, who in only his second year of membership took on the Secretaries role for the State Committee and did an admirable job for the first year, unfortunately complications with Regina's pregnancy took the family to Melbourne so Brett was unable to continue his role. The good news is Mum and baby are all doing well now. The bad news is the family is permanently re-locating to Victoria. We wish them well for the future.

The sub-centres have had there AGM's and there has been a few changes, the AGM will be held in Hobart on Saturday the 28th of November. We have a number of key roles that we desperately need filled so that the committee can function at its best without over-loading those members who are already heavily committed.

To all those members that have served our club for the last club year, congratulations and a job well done. If you have already taken on a role for the next year, also congratulations.

Sue-Anne and I will be away for the whole of November, our 2 eldest daughters are getting married 2 weeks apart the first in Canberra on the 6th and the second in Melbourne on the 21st. we will then be taking on a bit of R&R by doing a V8 Supercar Drive at Phillip Island raceway on the 26th, just in time to travel home for the AGM and dinner on the 28th. Time will tell if we make it to the Concours on time. At that time I will also be accepting subscriptions to the Midgley benevolent fund.

As you may be aware November is Movember month, Movember is a fund raiser for research into mens health. My workplace (DOBMAC) has put together a team for Movember called the DobMo's, the company owner Philip Dobson has very generously offered to match our fund raising \$ for \$, 8 of our crew have signed up for the challenge. Now I know you are thinking "he's already got a mo and beard", therefore I have been set the challenge of going clean shaven the day after our second wedding, Sunday the 22nd of November until Xmas. I will be accepting donations towards our fund raising. Drop me an email letting me know your commitment and we can arrange when I can collect. Proof will be provided in the next magazine of me meeting my challenge, closely followed by the look of disbelief by Sue-Anne!!! Except for a period of 4 months in 2003, I have sported a mo and beard for the last 39 years.

I do this every year, if anyone wants to take on Editor, I will support you in any way I can, sometimes you just need a fresh approach. If you know how to use word, then you can put together this magazine in about 6 hours. So don't hold back, put up your hand at the AGM. ED

PAST EVENTS

2nd -4th October, Baskerville Historics. What can you say? It certainly lived up to the expectation of being a spectacular event, raising nearly \$92,000 for the foundation. The resurfacing of the track is fast becoming realizable. With a frantic programme of events and the hill packed with spectators, even the inclement weather and the AFL grand final on the Saturday could not curb the enthusiasm. From comments received by almost everyone to date they thoroughly enjoyed themselves and will all be there next year. Many thanks to all who helped in any way to ensure it's great success.

18th October – Richmond Run. On a nice day for tops off we departed the Civic Club and travelled via the Tasman Highway to Sorell where we picked up some extras and had a coffee. We then proceeded to Fingerpost Road and approached our destination via Colebrook Road. The entourage of 21 members then enjoyed a nice \$20.00 two-course

MG Car Club of Tasmania – MG Monthly Motoring News, November 2015

lunch at the Richmond Arms Hotel. Several stayed on for a pleasant chat at the Bakery before heading home. Thanks to David Scott, our organizer.

22nd October - Dunalley Run

Twenty members enjoyed our annual run to Dunalley, on Hobart Show Day, for a barbeque lunch at the home of Jenny Beard and Tony Jones. For several years Southern sub-centre members had enjoyed Jenny's and Tony's hospitality on these Show Day runs, but in 2013 their house was one of many totally destroyed by the tragic fire that raged through the township. That year the run instead included lunch at the local hotel which survived the fire. Last year and this year we returned to the old site, where the construction of their new home is virtually complete. Much work is still to be done, not to mention the landscaping of the entire double block. Also for the record, the fleet of sportscars included a BMW and an Austin Healey on that run for the first time (I am pleased to note that we have two new members from Victoria, Barry and Margaret Cooper).

Club Meeting Details		Last Wednesday night of the Month: 7.30 pm for meeting. VCCA Rooms, 67 Lawrence Vale Rd, Launceston	
Postal Address		P.O Box 682, Launceston, Tas 7250	

The northern sub-centre recently held its Annual Area Meeting and elected the committee for the next 12 months. There are only a couple of changes to the committee and I thank the retiring members and all committee members for their contribution last year.

We are continuing to have well attended monthly dinner nights, monthly Friday coffee mornings and monthly Saturday morning coffee runs. Add to this the spring weather and we have some interesting longer drives scheduled as well.

The one event that is not as well attended as we would like is the monthly committee/general meeting evening. The evening is not too formal and we try to hold the meeting in a relaxed fashion and encourage participation from all present. It is an opportunity to have a say and find out what is happening in advance. We spend as much time as possible after the formal part having a good chat and coffee and cake, so please come along and get involved.

Eamonn.

Club Meeting Details		Second Thursday night of the Month: 6.00 pm for meal and social evening. Bridge Hotel, Forth	

The NW Group welcomed 13 Northerners our thirsty Thursday get together in October. It is fortunate that most years our Thursday night falls on Launceston Show Day giving members the opportunity to travel down without work commitments interfering with having an MG time. This brought our numbers to 40 for the night despite a number of our regulars away travelling somewhere on the North Island.

Our next major social event is Max and Margaret's Xmas Bash on the evening of Saturday the 12th of December, Once again the Roast Ham, Turkey and Pavlova's will feature. This night is not to be confused with the Whiskey and Pizza night, so plenty of Xmas cheer but no whiskey!!!

Those attending are requested to contribute towards the evening meal, confirm details with John or Max when RSVP'ing. If you are male, please bring a small gift starting with the letter "M", if you are female, please bring a small gift starting with "G".

Socialising starts from 3:30pm and the meal will be served at 7 pm.

Please RSVP to John on 0417 538 012 or Max on 6425 4734

The next morning Sunday the 13th, the NW contingent will meet at the Carline carpark at 9:15 am to travel to the Biggelaars for the NSC Xmas Party, see Northern Notes for further information. We will be stopping for a coffee at either ETC / Xmas Hills, before travelling onto Riverside for our 11am arrival.

North West Co-ordinator Roy MGB73 Stuart is currently on holidays in north Queensland, Before he left he suggested that if anyone else wished to take on the co-ordinator role he was ready to step aside. In his absence he has been unanimously voted in for another 2 years, congratulations Roy.

Sunday 6th December, Shannons Classic Car Charity Run, meet at Carline Carpark at 9:00 am meet up with northerners at Perth en-route to Campbell Town.

Thursday 10th of December will be our Xmas celebration Thirsty Thursday, numbers are required. So Please RSVP to John Irving on 0417 538 012.

Ed and John Irving

Celebration of 70 Years of the MG TC

A reminder for the TC weekend 21/22 November just weeks away.

For the run during Saturday, meet at Campbell Town 10.00am, tour to Longford for lunch, a navigation tour to follow finishing at Carrick for afternoon tea.

The Celebration Dinner Saturday evening and accommodation where required at the Village Motor Inn, 100 Westbury Road Prospect, phone 6343 1777.

A two course menu with tea and coffee \$38, 7.00 for 7.30. They have also offered double suits \$120 including a continental breakfast, a cooked breakfast can be ordered. There are larger suits available which may suit some. It is intended the event resume over a wind up breakfast again served in the dining room, locals not staying in-house are encouraged to join in for breakfast.

Starter Motor for Magnettes

As you may know a Holden Gemini starter motor fits straight in to the ZA/ZB Magnette and is much more efficient. So if like me you want to keep the original starter in tip top condition then you can usually get a Gemini TE starter on ebay or from most wreckers for about \$70-80.

Wiring it in is easy. As the ttached picture shows just make a jumper wire, fit to the terminal shown, fit the starter to the car then connect

you main cable to the terminal shown by the end of the pen. No need to touch your solenoid or wiring.

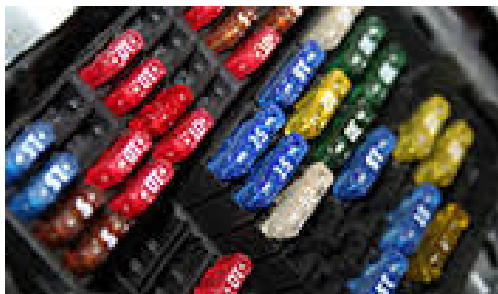

Hope this suggestion is useful

Cheers

NON-DESTRUCTIVE TESTING SERVICES

**Mechanical, Structural, Automotive crack testing & condition
assessment of all ferrous and non-ferrous materials**

Mechanical components are subjected to stresses in service from dynamic and static loading, temperature changes and corrosion resulting in cracking which can remain undetected visually until there is a catastrophic failure. This can be accelerated by exceeding design loads, inadequate maintenance or remaining in service in excess of the lifespan intended by their designers.

The correct NDT method applied according to strict guidelines by a trained and certified technician can detect cracking in metallic structures, welds, castings and forgings before they are large enough for the part to fail in service.

For advice and applications talk to **Chris Blake** to discuss your requirements large and small, I have tested everything from wheel studs to Hydro turbines. Full reporting provided to Australian Standards, I am certified to AS3998/ISO9712 with the Australian Institute of Non-Destructive Testing (CB# 4679) and carry full public liability insurances.

The Funny Bone

A couple were Christmas shopping. The shopping centre was packed and as the wife walked around she was surprised to discover that her husband was nowhere to be seen.

She was quite upset because they had a lot to do and hence, she became so worried that she called him on her mobile phone to ask him where he was.

In a quiet voice he said:

“Do you remember the jewellers we went into about five years ago, where you fell in love with that diamond necklace that we couldn’t afford, and I told you I would get it for you one day?”

The wife choked up and started to cry and yes: “Yes, I do remember that shop”

He replied, “Well I’m in the pub next door.”

Husband: I lost my wife. She went shopping & still hasn't arrived home yet.

Inspector: What is her height?

Husband: I never noticed.

Inspector: Slim or healthy?

Husband: Not slim, can be healthy.

Inspector: Colour of eyes?

Husband: Never noticed.

Inspector: Colour of hair ?

Husband: Changes according to the season.

Inspector: What was she wearing?

Husband: Pants and shirt, maybe a dress or something I don't remember exactly.

Inspector: Did she go in a car???

Husband: Yes!!!

Inspector: Can you tell me the number, name & colour of the car ?

Husband: NLH-638 Black Audi A8 with supercharged 3.0 litre V6 engine generating 333 horse power teamed with an eight-speed tiptronic automatic transmission with manual mode.....and it has full LED headlights, which use light emitting diodes for all light functions and has a very thin scratch on the front left door. At this point the husband started crying...

Inspector: Don't worry sir, we will find your car.....

Dear Lord,

I pray for Wisdom to understand my man;

Love to forgive him;

and Patience for his moods.

Because, Lord, if I pray for Strength,

I'll beat him to death.

AMEN

A recent study has shown that women that carry a little extra weight live longer than men who mention it.
