Baskerville Historics

In case you have been hiding under a rock for the last couple of months, last weekend was the Baskerville Historics. The event is organised by a joint committee comprising the MG car Club and Hobart Sporting Car Club. All proceeds from the event go to the Baskerville Foundation which is raising funds to restore Baskerville raceway to its former glory. A considerable amount of work has been done, and much more is still to come.

Yours truly was once again given starter duties over the weekend, some people just can't help themselves capturing those moments when I am hard at work.

For many patrons, the weekend appeared to run smoothly and effortlessly, however from all the little voices in my head (Control Radio) everything was not quite so uneventful. In fact we managed to navigate our way through nearly every conceivable incident you could think of including a 2 ½ hour power outage. This put us 45 minutes behind on Saturday as generators were connected to timing and PA equipment so that we could get the show back on track (excuse the pun). The one thing we did not have (thankfully) was a major accident and from my view point this was more from good luck than good management. It never ceases to amaze me how mild mannered gentleman turn into near maniacs when they get behind the wheel of a race car. I was most amused as I saw Mark Dilger round the sweeper on to the main straight in practice and I noticed that he had covered his headlights with red tape, it gave new meaning to the “Red Eye” effect.

The weekend had a full on schedule, with all categories well patronised, some classes provided some really close competition between similar cars, and whilst they may not have been competing for first place, obviously the bragging rights of being first for their particular model was still worth performing on the limit for.

Then there were the few hard luck stories, we had blown cars and failures across the weekend, some as early as practise on Friday. MGB73 for a second year in a row suffered a blown motor, Don had over heating problems on Saturday but after a quick dash to Supercheap with 2 minutes to closing time a new radiator cap fixed the problem,

It was a great weekend, the cars were well presented and mostly everyone was well very well behaved, see you there next year. Ed.

Committee Meeting Details		First Monday of the Month Ross Meeting Room, Ross, 7:30 pm	

Presidents Report

Motor racing isn't just driver skill, car speed and the freedom of public road restraints, it also needs triumph (or MG) over adversity, problem solving, forward planning, having a never be defeated attitude and an all-conquering spirit.

It's also all those things for the organisers and volunteers who plan for years and work hard for months giving up their valuable time in an effort to provide a venue for drivers and riders to enjoy with a goal to provide the best in motoring entertainment for the paying public and to help your club achieve our goal to restore and secure the future of Baskerville raceway.

I had riders, drivers and members of the paying public praising not only the event but also the professionalism of the officials and volunteers making me proud to be associated with the event.

On behalf of the state committee and those of us who enjoyed the spectacle from the sidelines, thank you to all you hard working members who came from all over the state and raised a record amount for the Baskerville Restoration Fund, congratulations!

The arrival of daylight saving is reflected in the increase of social activities planned by your sub centres for the next month so let's all get together and have some fun.

I'm told that some members have already booked their accommodation at the Archers Manor in Launceston for the concours, presentation dinner and AGM so don't you miss out!

If helping to run this vibrant organisation is your cup of tea, the positions of President, Club Captain, Editor and General Member Representatives are highly recommended as giving great satisfaction, but no pay.

So please consider these honorary positions, it's your time.

Thankyou to all those members who have passed on their best wishes to Sophie and I as new grandparents, I'm happy to report that Matteo is doing fine.

Hope to see you all at the concours weekend.

Phillip

Ed Says

Well this month is going to be the month of retractions, I have unfortunately fallen fowl of the old “copy and paste” errors and the idiosyncrasies of word. I could blame my proof reader, but I am in enough trouble this week already. (I didn’t listen!)

So please pay attention to the Northern and Southern AAM notices as they are printed correctly in this months magazine, and not just the headings. Also enclosed for our members is a “corrected” notice of AGM, nomination and proxy form.

I hope you all enjoy the magazine, with a bit of luck another member will put up their hand to do the magazine next year, don’t be afraid, I have made it nearly idiot proof (refer above). I have taken a lot of personal pride in moulding the magazine into something entertaining as well as informative and I hope that you enjoy reading “The Friendliest MG Magazine” as described by the judge at the 2012 National Meeting. But as you have heard me beg many times, I need articles, every time you attend an event, shoot through a few words to the editor, I promise I won’t change a thing, unless your name is Roy.

Another big part of the magazine is our advertisers; it is becoming more and more difficult to get larger companies to advertise in a small magazine such as ours. Over the last few years many national corporations have chosen to abandon printed media for their advertising dollar. Our coverage and demographics limit the impact that a lot of companies are looking for, so I thank our few loyal advertisers who help to keep our production costs each month to an acceptable level. If any member has a business or knows a business who would like to advertise in the magazine please contact me for details, in addition to the printed magazines we also have a significant number of on-line readers, whilst some of these will be members just having a look prior to getting their copy in the mail, the numbers would suggest that we have a good on-line following. And to all our members please support the companies that support our magazine.

This week I received the sad news that Maureen Stafford, wife of member Robin Stafford has passed away after a long illness. Our condolences go out to Robin and family on their loss. Our thoughts are also with member Neale Marshall whose nephew was killed in a workplace accident recently.

We are the MG Car Club of Tasmania, the one thing that brings us together is our cars. However the one thing that makes us a club are the activities that we organise and our participation in those events. At Baskerville over the weekend, the number of people just soaking up the atmosphere, walking around the pits talking to people they have never met before about their car and where they are from and what brings them to Baskerville. It is as much a social event as a sporting event and it is so much more than cars. (and Roy no it is not the girls!!!). Behind the scenes is a lot of organising and over the weekend a lot of assistance is needed to make the event run. We are lucky in our club that we have a dedicated representation on the organising committee, however the number of volunteers from the club to assist over the weekend was a little disappointing. So next year put it in your diary, even half a day will make a huge difference, for this event to reach it’s full potential needs a commitment from all of us. Ed.

Meeting Details		Second Thursday night of the Month: 6.00 pm for meal and social evening. Bridge Hotel, Forth	

40 years ago

Early in 1974 several keen MG owners on the North West coast initiated a move to set up a Sub Centre of the MG Car Club at that time Royce Astell was a member of the Launceston based Sub Centre and was aware that there were a number of other owners interested in forming a sub-centre. On the 14th Sept. owners gathered at Furners Hotel in Ulverstone to gauge interest. An encouraging number of people attended.

On **Wednesday the 25th of September 1974** the first official meeting of the North West Sub Centre was held at the Forth Hotel. A committee was elected with Royce Astell as Chairman.

The sub-centre had approx. 15 financial members Wilf Allison who was on the Launceston committee at the time donated a trophy to be known as the North West Clubman Perpetual Trophy to be awarded annually to the North West member who accumulated the most clubman points for the club year.

This Month

The Baskerville Historic Motor Racing event held on the weekend of the 4th – 5th October. It is one of the major social events on the North West Calendar, 22 members were joined by Mark and Angela Dilger and Terry Sansom for an entertaining weekend. Friends of Peter Richards and Peter Scott's brother and wife joined us for dinner Friday night. The weekends racing was superb as per usual the North West marque was the central hub for everything MG with our superb chefs catering for our many members and friends. Our hard working Membership Officer Sue-Anne doing membership duties, regalia sales and magazine photographer duties.

Our social family run to Wings Wildlife Park is on Sunday 19th October, the northern members will meet us at the car park of Carline Mufflers, 106 Formby Road Devonport for a 10.30am departure. We will travel to Ulverstone via Tony and Wendy Lansdells "Winterbrook" to collect the West North West members and then onto Wings Wildlife Park where we will purchase lunch at the café and then tour the park. The park features many rare and exotic animals including the endangered Tasmanian Devil.

The annual car show organised by the Forth Valley Lions Club is to be held on Monday 3rd November. The MGCCT has supported this worthwhile event for many years. Once again we would love to promote our club and support this event.

2015 Nat Meet update

At this stage only 10 people have expressed an interest and 3 have indicated that they are participating in next year's Nat Meet in Melbourne.

I have secured accommodation at 2 different locations. Both have advantages and disadvantages.

The 1st is Crystal Brook Tourist Park, which is located in East Doncaster/Warrandyte and is close to Rob Roy Hillclimb. I have reserved 1 x 2 bed deluxe family villa (possible 4 adults) and 5 x 1 bed standard villas.

Costs for 4 nights accom only are as follows:

Deluxe villa – 2 persons: \$648, 4 persons: \$840

Standard Villa – 2 persons only: \$485

2 or 3 car trailers can be stored near their workshop/shed.

To view details of this site go to www.cbtp.com.au

The other is the Foothills Conference Centre. It has just been expanded to 96 rooms.

All rooms can be configured for a king bed or twin beds.

Costs for 4 nights accom only is \$560.

As this site sits on 20 acres there are no problems for trailer parking.

This site is very close to the "York on Lilydale" where registration and the presentation dinner are located. These rooms are being held for us.

No deposit has been paid but I will need to know fairly soon if you want to take them up.

Once taken, payment will be upfront and no cancellations allowed.

To view this site go to www.foothillsconferencecentre.com.au
