There have been no competition events in the past month, but there have been several social activities. Information in Sub-centre reports.

Next competition event is the Tasmania Super Series at Symmons Plains. If anyone could come and lend assistance later in the afternoon (around 3pm) to set up trophies etc it would be greatly appreciated. If you could contact either myself or Robin Wilmot. Contact information under State Committee.

Re the editor's article last month re having your magazine sent to you by email or to continue to have posted please either contact Andrew or a committee member with your comments to help the State Committee make the right decision.

Happy MGing

## **Ed Says**

Well, one could say, that if you open your mouth it just creates another place to put your foot. My editorial last month centred on the possibility of going electronic with the distribution of the magazine. Now one astute member noticed that it took 10 days to get the magazine up on the web site and questioned why with today's technology, could this delay possibly occur? As always even with all the technology there is still human intervention, unfortunately last month a memory fade combined with work commitments meant that myself and the webmaster were not aligned in executing the posting of the magazine efficiently. We have however combined to come up with a near idiot proof solution that not even I could mess up? So be assured members, should you end up being an electronic recipient of the magazine it will be distributed to you efficiently and without delay.

I and other committee members, have received some good feedback from members, this is good, so keep it coming in. One question has been raised, that members would like the opportunity to select what method they want. So without pre-empting any state Committee decision, the way I foresee it working is that this years membership renewal will have 2 membership price options, membership with a printed copy of the magazine and membership with electronic only copy of the magazine. This is how you will make your choice. The reason we need to be able to gauge the take up is because as you reduce the number of copies printed, the cost per copy actually increases. So there is a fine balance between quantity and cost which we have to allow for in our budget, and therefore the membership and advertising fees.

While on the topic of magazines, I think I have mentioned this before, I get emailed a number of interstate club magazines. If you would to receive a copy of these magazines just send me an email and I will forward as I received them.

Next months magazine will have the tales of the trip to the National Meeting, along with more photo's and the official results. Next years National Meeting is in Adelaide, this is traditionally a very good meeting and I would suggest that we should have a good delegation in attendance to promote our National Meeting in 2018. Planning will start very soon so put this date in your diary, April 14-18 2017. Watch this space for more details.

Ed.

**PAST EVENTS**

**5<sup>th</sup> March** – Working bee at the Civic Club. A good rollup of members made quick work of the required tasks to have the Civic Club looking its best. Just to prove they could follow instructions to leave everything at the tip the tip run guys came back minus the wheelie bins which were later retrieved by the ever vigilant Robin!

**6<sup>th</sup> March** – Run to My Slice of Pie for breakfast with a difference! A nice early 8.20am start from the Civic Club saw our members greeted with an overcast morning which gradually turned into a beautiful warm sunny day. 30 of our contingent in 18 vehicles made their way down the Southern Outlet to Margate and on to Sandfly where we convoyed and were joined by 4 other members. We rejoined the Southern Outlet to Mountain River and our destination, My Slice of Pie where the remaining 5 members joined us, making a total of 39 which must be a record for an MG run! Our hostess, Christine and Rod and staff made us most welcome and did not disappoint in providing a

fabulous “breakfast with a difference” with only one chair remaining in the restaurant! 14 of our contingent decided to venture further afield and continued via Cygnet and Woodbridge Hill to Peppermint Bay for coffee before returning home.

**20<sup>th</sup> March** - Square Riggers Run. “9 cars of assorted heritage (5 of them square riggers) enjoyed the hospitality of Alan and Jeanette McKenzie (owners of a 54TF) at their shack at Deep Bay on the Huon River after having morning coffee and a visit to the Channel Heritage Museum in Margate. There were plenty of exhibits dating from both the youth of the visitors and the vintage of their cars that puts history into perspective. A couple of new members is also likely to be a result of the day”.

The Northern Centre mid week runs have been popular events during daylight saving time. Our last two runs have been extremely well patronised and at the February event we met up with some members who travelled from the north west coast to meet us at Evandale to enjoy a great evening at The Prince of Wales Hotel. 38 members and a couple of overseas visitors meant a packed out dining area.

The March event saw 20 members travel in convoy to Grindelwald where once again we enjoyed a great meal in excellent surroundings.

For the next few months we will continue our monthly mid week dinners but as winter will be upon us we will meet at the venues instead so keep an eye out in the magazine for venues and times.

Eamonn.

## **MG Car Club of Tasmania – MG Monthly Motoring News, April 2016**

The social calendar is in full swing and to highlight some of the events held last month we have had:

**28<sup>th</sup> February 2016** Picnic run to Larooma Park approx. 200klms

**Wed March 2<sup>nd</sup>** Ulysses Club AGM Display (Covered in the March Magazine.)

**Sun 6<sup>th</sup> March 2016**

Run to Tony and Janet Sutcliffe's place at Bothwell and have arrange to do a garage visit to a friend place who is an avid collector in Bothwell.

**Wed 16<sup>th</sup> March** Mid-Week Run to Grindelwald

**Sun 20<sup>th</sup> March** Devonport Car Show (North West)

**Sun 20<sup>th</sup> March** Visit to Tilley's at Targa.

**Mon 28<sup>th</sup> March** Not the Nat meet coffee run

### **Picnic at Larooma Park**

Where is that ? was the first question . John James who organised the trip wanted a \$ for every time he was asked that. (or event 10cents would have made it worthwhile) GOOGLE was extensively consulted and by the time it came around for the event most knew it was at Hawley Beach, or more importantly at the end of the road at Hawley.

6 cars set out, Jacqui and Brian Ralph ( TF comfortable one) Robyn and Derek Holden ( real TF ) Margaret and Frank Brooks (F) Jim Dickenson and Terry Sansom (MGA) Robyn and Bruce Keogh (TF comfortable one) and John and Jill James (MX5).

With the weather just ok the group travelled via Legana, on to Beaconsfield and then through Howell to the Blue Café at Frankford. Usual discussions ensued over coffee and cake before travelling on to the destination for the day, Larooma Park. This was BYO everything Picnic and all participants were well equipped for a picnic lunch.

Some had a walk after lunch before returning along the fantastic roads via Sassafras and Mersey lea to partake in coffee etc. at Deloraine.

The day was concluded with a quiet drive along the old Bass Highway and John thanked all that participated.

On March 6<sup>th</sup> we travelled to Bothwell over Poatina and down through the Steps, a trip of approx. 280klm's for the day.

We set out tops down with 6 cars from Launceston to meet up with an equal number from the south at Bothwell.

The weather was fantastic and made for a very pleasant trip.

First stop was at Poatina for coffee and cakes at the tea shop. We were made very welcome and although it did not show the group were sprung on the venue at very short notice as our booking at the chalet needed to be changed due to another commitment. As you find in a small community there was a quick rally around and the shop owner and the art gallery owner manned the Tea Shop and we were all feed and watered. Full points to Poatina and the Tea Shop, Thank you.

The day only go better with the run over Poatina, across the Lakes and down through the Steps to Bothwell.

We arrived at Bothwell at about 11.30am and were greeted by the southern members at Janet and Tony Sutcliffe's place to be wined and dined as they say and can only thank them both on behalf of the members for their very generous hospitality.

## **MG Car Club of Tasmania – MG Monthly Motoring News, April 2016**

We were entertained in Tony's Man Cave with lots of photos and man cave stuff that the boys loved and they ladies were entertained with movies while the boys went and visited a friend of Tony's garage.

Our hosts for the day Janet and Tony doing the cooking.

In Tony's Man Cave amongst the boys stuff .

They are big toys and beautifully restored

The artefacts to die for and all in operating order.

They are also very old and collectable

and everyone wants their own rare road roller

We all had a very interesting day and can only thank Tony and Janet for opening up there home and for their hospitality for the day.  
The home run was as good as the trip up through the clean and clear air of the central highlands.

## **MG Car Club of Tasmania – MG Monthly Motoring News, April 2016**

Well worth taking another trip on a sunny summers day up into the clean clear air of the central highlands.

Andrew Merry's midweek run was as popular as ever with 20 members participating in the trip to Grindelwald for a great meal with the usual round of discussions. Thanks to Andrew for organising a very pleasant venue and evening which provided a great social gathering for all.

On 20<sup>th</sup> March we had the annual visit to the Tilley's at Rainbow's End at Targa and we all enjoyed another great day which started with the drive from the Motor Museum led by Phil himself.

We travelled up through Waverley via Ravenswood and out on to the Scottsdale road to Nunamara

to arrive at Rainbow's End at around 11am.

Coffee was served on the deck overlooking the property, the river and the car park. Following lunch we adjourned to the river flat to observe the wild life and play some games being in the form of an apple hunt and as you would expect with a difference.

The apples were put into a bucket of water in the simulated garage of witches' hats and then transported through a further maze of witches' hats to be deposited into a second bucket.

The exercise was repeated until three apples were deposited into the second bucket, can you visualise the scene, if not have a look at the following photos.

A couple of escapees from the nursing home

On the home run Frank Brooks, getaway driver with fellow escapee John Biggelaar

Now you can get the drift of a lovely afternoon in a beautiful setting, birds chirping etc. and one Camira humming away in the bush

consuming witches hats which appear to be a staple of its diet.

The Camira games were topped by our NSC Chairman Eamonn Matthews even though attempts were made to sabotage his drive by narrowing down the garage so the Camira would only just fit, but to no avail he still squeezed it in.

Once again we had a great day and on behalf of the all who attended wish to thank Phil and Sophie for being great hosts of the event and opening their home for the club members. Also letting them drive around their lawns, trees, holes and spear the apples Phil pinched on the drive to Rainbows End.

We must also thank Phil's brother for the use of the Camira and hope it recovers soon.

The final event for the month was Phil Paine's not the nat meet coffee run. Approx. 17 club members participated which finishing up at JJ's at Longford to make for a very pleasant run for the Monday after Easter. Thanks Phil for putting the run together and choosing the venue.

Club Meeting Details		Second Thursday night of the Month: 6.00 pm for meal and social evening. Bridge Hotel, Forth	

The 10<sup>th</sup> Annual Devonport Motor Show organised by the Rotary Club of Devonport North is proving to be one of the Australia's premier Car Show's. Held on the banks of the Mersey River in Devonport the event attracted over 620 display vehicles from across Australia. The organisers thanked all participants for their efforts, especially the MG car Club, whose display of immaculately prepared vehicles created an enormous amount of interest amongst the thousands of spectator's.

A very impressive 17 members attended the National Meet in Perth Western Australia, with 14 of those from the Northwest. From the reports Tasmanian participant's figured highly in the results. All results will be published in the magazine next month

The MG Car Club has once again been asked by Targa Tasmania if we would like to act as course marshals once again (we must have done it right last time). We are required on Wednesday 13<sup>th</sup> April. If you may be able to help please contact me on 0419589316

The Mersey Devonport Lions are once again attempting the record for the most convertibles in one place. Last time we had an excellent turn out from the club, but there were more hairdressers around than you would think and so we were outnumbered by MX5's. See the information in this magazine for registering and be part of the record whilst assisting Lions do carry on with their community projects.

#### The Man in Red

May's social event is on Sunday 15<sup>th</sup> of May and consists of a run along some very fine Northwest roads before descending upon "El Perro's" in Penguin for lunch. We have booked the outside area, which is enclosed, for a maximum of 30 people.

Costs usually range between \$15 to \$30 but a special menu has been put together for us.

Ring Wendy or Tony on 6425 6324 or 0418 378 214.

Because of the limited seating, COB Tuesday May 10 is the cut off date for RSVP's.

If you have not indicated your intention to attend by then, don't expect to turn up on the day and get a seat!!"

Kind Regards

Wendy & Tony Lansdell

## **Midgley's MG Mid Winter Getaway**

**Destination:** Boat Harbour, North West Tasmania

**Dates:** Friday 8<sup>th</sup> – Sunday the 10<sup>th</sup> of July

### **Accommodation:**

We have rented 8 Holiday Homes for the weekend, so the accommodation arrangement will be similar to the weekend at Coles Bay. 6 houses will accommodate 2 couples and 4 rentals will accommodate 3 couples. 2 of these rentals are actually 2 holiday units where one unit sleeps 2 couples and the studio sleeps 1 couple. So two couples will be able to have their own accommodation, 1 has already been grabbed the second is still available by request.

Now all members who have already indicated to me that they will be attending will be receiving an email with some important information. If you are attending the weekend I need to know by the end of this month. All accommodation has to be paid for in advance and some we have had to pay for to secure the booking. One couple in each house will be made responsible to co-ordinate and pay the respective owners and then recover the share of the rent off your fellow house mates. I know this is not ideal, but the alternative is we pay for all and this is not an option.

### **Friday:**

So we have come up with a couple of alternatives for Fridays activities, in the end it will be totally dependent on the weather, You will get about 2 days notice that you may need to bring some extra warm clothing!!!

Friday night we have 2 options, the local Surf Club has offered to do a short menu for us or we can do the casserole night as we did in Coles Bay. The Surf Club is only a relatively small venue, so it will be conducive to mingling. When you receive the email please include in your response your preference.

### **Saturday:**

Up until 3pm, Saturday is free for members to explore the National Park and walks in the Boat Harbour, Sisters Beach and Rocky Cape area. There is also the Wynyard market, Table cape and other local attractions to explore at your leisure. That is until the start of the MG Annual Surf Carnival, which will be held at the Surf Club, afternoon tea and drinks can be purchased at the venue.

Saturday Night is a dinner at Seabreeze Restaurant, you will select from a full a la carte menu. And there will be games so be sure to bring your sense of humour.

### **Sunday:**

After a leisurely departure from Boat Harbour, we will make our way to Ulverstone for a Xmas in July lunch, before going our separate ways home. If any members not attending the weekend would like to join us for lunch on Sunday the 10<sup>th</sup>, please let me know so I can include you in our reservation numbers.

As always **B** there or **B** square, non MG's are optional only.

Sue-Anne and Andrew Midgley

## ***NON-DESTRUCTIVE TESTING SERVICES***

**Mechanical, Structural, Automotive crack testing & condition assessment of all ferrous and non-ferrous materials**

Mechanical components are subjected to stresses in service from dynamic and static loading, temperature changes and corrosion resulting in cracking which can remain undetected visually until there is a catastrophic failure. This can be accelerated by exceeding design loads, inadequate maintenance or remaining in service in excess of the lifespan intended by their designers.

The correct NDT method applied according to strict guidelines by a trained and certified technician can detect cracking in metallic structures, welds, castings and forgings before they are large enough for the part to fail in service.

For advice and applications talk to **Chris Blake** to discuss your requirements large and small, I have tested everything from wheel studs to Hydro turbines. Full reporting provided to Australian Standards, I am certified to AS3998/ISO9712 with the Australian Institute of Non-Destructive Testing (CB# 4679) and carry full public liability insurances.

## **VALE John Roughton**

To all our friends and acquaintances, It is with a very sad heart that I wish to inform you all of the sudden passing of my dear husband John. Some of you already know and I wish to thank you so much for your thoughts, cards and flowers.

John had radical surgery for aggressive prostate cancer 5 years ago. He had been going really well until the last half of last year. In November the cancer had spread to lymph and bone and the specialist suggested taking a holiday before it progressed. He was then to start chemotherapy when we returned.

We had completed 7/8 of a wonderful 21 day cruise around South America from Valparaiso in Chile, down through the Chilean fjords to Tierra Del Fuego, on down to Antarctica, then back up to the Falklands, Uruguay and Argentina. On 15th February John had a fall whilst on a shore excursion hitting his head hard but on soft ground. Two days later he had a sudden event ? heart, ? head, and it appears died immediately.

We have come up against many obstacles in trying to get him home. After three weeks he is still in Buenos Aires. This has been extremely frustrating and exhausting physically and emotionally. We hope to have some positive news by the end of this week. We are hoping we can have a funeral instead of a memorial service for a more definitive closure.

Will keep you informed  
Love from Julie xxx

Dear Car Enthusiasts

Paula and I were shocked and saddened to hear about the recent passing of John Roughton. He was a gentle, considerate and compassionate man who was held in high regard by all who knew him. He enjoyed his mid-week runs in his fine burgundy 1954 MGTF, and looking at the cars and catching up on the first Sunday of each month at Beach House.

John's wife, Julie, was happy for me to forward her email above. David Taylor has advised me that when the Memorial Service is held Julie would like a contingent of T Series cars at the venue, where they will be featured.

With our condolences and best wishes to Julie and her family during this very difficult time.

### **From the West**

As members should know a number of our club members have made the trek across the Nullarbor to attend the MG National Meeting in Perth. A couple have chosen to trailer their cars across, but most have opted to drive and this has not been without some issues. John and Dawn Irving in their BL MGB ran into some issues about Mildura with rust in the carburettor (Weber), due to the extended driving stirring up the fuel tank. A make shift repair by the RACV got them on the road again but unfortunately not for very long.

About 80km out of Mildura and about the same to Renmark the car again slowed to a halt, as John pondered his next move a phone call from Tony and Wendy Lansdell “Where are You?” “We are just behind you, we will be there in about ½ an hour and we will tow you into Renmark”. Now the story goes and I swear this is no exaggeration, but the towing episode was like the scene out of Charlie and Boots (Paul Hogan and Shane Jacobson) except there wasn’t a cop trying to pull John over for speeding. If you haven’t seen the movie here is a link to the relevant youtube clip, I highly recommend it.

<https://www.youtube.com/watch?v=euBPP35YTNs>

Now the story has a good ending, once in Renmark John rang the RAA and a young mechanic who happened to compete on the weekends, knew all about Webers, had them fixed, tuned and back on the road singing like a busy bee, albeit 1 day behind the others. John’s trip took yet another turn as he caught up to the other intrepid travellers in Kalgoorlie only to get a chipped windscreen. So this time it was a drop into the local Windscreens O,Brien to get it repaired before travelling onto Perth.

Hopefully the trip home will be much less eventful.

Then I received this “bizarre photo” on Good Friday. Sometimes seeing is believing!!

If you know of Peter Scott (Scottie) you would be aware that he is not the most car proud person in the world. In fact I have always thought that Scottie lived on permanent water restrictions and therefore hadn’t learnt how to wash a car. Well Scottie has been photographed not just washing but detailing his MGB GT ready for concourse in Perth.

Now MGCCT members present, did question him 3 times to make sure that in fact he was “detailing his car” and that indeed this was his intention. Once confirmed they thought the rest of the club should be made aware of this most irregular event, that could only possibly happen at a National Meeting.

## **The Funny Bone**

As the lawyer awoke from surgery, he asked, "Why are all the blinds drawn?"

The nurse answered, "There's a fire across the street, and we didn't want you to think you had died."

If two lawyers were drowning, and you could only save one of them, would you read the paper or go to lunch?

A man walks into a friend and sees that his friend's car is a total loss and covered with leaves, grass, branches, dirt and blood. He asks his friend,

"What's happened to your car?"

"Well," the friend responds, "I ran over a lawyer".

"OK," says the man, "that explains the blood... But what about the leaves, the grass, the branches and the dirt?"

"Well, I had to chase him all through the park"

A guy walks into a post office one day to see a middle-aged, balding man standing at the counter methodically placing "Love" stamps on bright pink envelopes with hearts all over them. He then takes out a perfume bottle and starts spraying scent all over them.

His curiosity getting the better of him, he goes up to the balding man and asks him what he is doing. The balding man says

"I'm sending out 1,000 Valentine cards signed, Guess who?"

"But why?" asks the man.

"I'm a divorce lawyer," the balding man replies

A local United Way office realized that it had never received a donation from the town's most successful lawyer. The person in charge of contributions called him to persuade him to contribute.

"Our research shows that out of a yearly income of at least \$500,000, you give not a penny to charity. Wouldn't you like to give back to the community in some way?"

The lawyer mulled this over for a moment and replied,

"First, did your research also show that my mother is dying after a long illness, and has medical bills that are several times her annual income?"

Embarrassed, the United Way rep mumbled, "Um...no."

"-or that my brother, a disabled veteran, is blind and confined to a wheelchair?"

"The stricken United Way rep began to stammer out an apology but was interrupted,

"-or that my sister's husband died in a traffic accident," the lawyer's voice rising in indignation, "leaving her penniless with three children?"

The humiliated United Way rep, completely beaten, said simply, "I had no idea..."

On a roll, the lawyer cut him off once again: "-so if I don't give any money to them, why should I give any to you?"

How many lawyer jokes are in existence?

Only three. All the rest are true stories.

Shots from the Perth NatMeet, here some of the crew who travelled in magnificent weather and company, at least for those not distracted by incidentals along the way such as the sights of Kalgoorlie. The B earned inclusion in this page by winning class in Concourse, congratulations John and Dawn Irving.

Other shots general of T Types only a sample of the numbers expected and present in the state of TCs! The supercharged J Type going through it's paces at the motorkhana. Also to be congratulated are the medallists many who brought home the spoils and no doubt referred elsewhere in this edition.
