President's Report

What lovely weather we are still having in Autumn. The downside is the ending of Daylight Saving, and how quickly does it get dark.

On a sadder note, Wayne Gonninon, the creator of the classic car runs on the 1st Wednesday of the month is not well and is in the Whittle Ward in Hobart. He is surrounded by his loving family and friends. Wayne and Paula's eldest son Simon assisted Wayne in organising the run-on 6th April. All Wayne and Paula's children were at the event and the daughters were taking photos for Wayne to see and people were asked if they wanted to send Wayne a video message. Depending on how Wayne is feeling the family take him home for a few hours each day.

Just some clarification about not holding social events on the same day as a competition event. It was designed that members were not disadvantaged, i.e. that if a member aimed to win their Sub-Centre Clubman Trophy and also wanted to try and win the Motorkhana Trophy, and if there is a social and competition event on the same day, that member is at a disadvantage because they cannot attend both events, (unless the social event is a run to where the competition is being held – majority of competition events commence between 9am and 10am it would need to be an early run).

The Tasmanian Motorsport Australia competition calendar is compiled in October / November by all affiliated clubs submitting their preferred dates to hold events in the next year. Most clubs nominate events roughly around the same time as the current year. If there are any clashes the clubs, try to readjust their dates. Order of importance of events - International Events, National Events, Race Meetings then Club Events (Motorkhana, Club Days). The MG competition dates are published on the back page of the Monthly News Magazine. On rare occasion there is doubling up of events, usually due to the availability of the facility.

Next competition event is on Sunday 15th May, a Multi-Club Motorkhana being held at the Latrobe Speedway Pit Area. Entry will be through Motorsport Australia Event Entry Portal.

As you will see further in the magazine the National Motor Museum in Launceston is holding an MG Day at their premises on Sunday 1st May 2022. Please get your MG/s out of the garage and get them along to display and support this event. The vehicle does not need to be in Concours condition. We need a range of the different models of the Marque.

Keep safe everyone and enjoy using your MG.

NON-DESTRUCTIVE TESTING SERVICES

Mechanical, Structural, Automotive crack testing & condition assessment of all ferrous and non-ferrous materials

Mechanical components are subjected to stresses in service from dynamic and static loading, temperature changes and corrosion resulting in cracking which can remain undetected visually until there is a catastrophic failure. This can be accelerated by exceeding design loads, inadequate maintenance or remaining in service in excess of the lifespan intended by their designers.

The correct NDT method applied according to strict guidelines by a trained and certified technician can detect cracking in metallic structures, welds, castings and forgings before they are large enough for the part to fail in service.

For advice and applications talk to **Chris Blake** to discuss your requirements large and small, I have tested everything from wheel studs to Hydro turbines. Full reporting provided to Australian Standards, I am certified to AS3998/ISO9712 with the Australian Institute of Non-Destructive Testing (CB# 4679) and carry full public liability insurances.

Ed Says

Sometimes things just go to plan and other times they don't. As Forrest Gump would say "Life is like a box of Chocolates, you never know what you will get"

An update on our F vows, thankyou for those that contacted me with suggestions, that is much appreciated. I did however have to resort to plan B and have sent the immobiliser module off to get the immobiliser part bypassed so we could still use the fobs for the doors. Well apparently the thing is dead so we are up for a new immobiliser, luckily our particular frequency is still available new so that is the resolution.

A couple of weeks ago I had the harmonic balancer fail on the BMW X5. Now I do not know whether is by fluke or design, but when it failed the main serpentine belt stayed in place and I still had power steering and alternator charge along with a squeaking belt. The AC belt kicked itself off and so I had no AC. But to replace the harmonic balancer, all I had to do was remove the engine cowlings and undo 4 bolts, it took less than 1-1/2 hours to change out, I was a bit disappointed in myself though, because the youtube clip only took 8 minutes. And to make it easy it has a pin that you insert to lock the flywheel, while you change the harmonic balancer out. I just had to keep telling myself "remove the pin before you start the car"

This months magazine is a little later than normal because of how the beginning of the month fell. The up shot is all the reports are in and it is now only 8 o'clock and this report is all I have left to do. No late night getting the magazine completed for me this month.

I don't say it often enough, but a huge thankyou to those that send in articles and photos for the magazine. I am not a very good story writer, so without your contributions, if I had to write the whole magazine, it would be double sided flyer. I can write a technical report or engineering specification by the pages, and I can suffer bouts of verbal diarrhoea as well, but writing a good story is not one of my forte's. Enjoy your magazine.

PAST EVENTS

13th March – My Slice of Pie Breakfast Run

It was a rather cool dewy start from the Civic Club at 8.05am but that did not deter several from going tops down. New members Kathryn Page and Kevin van der Veer joined us for their second MG run in their beautiful MX5. A very warm welcome to them!

With 19 members in tow (9 MG's, 3MX5s, a Packard, an Austin Healey, a Mercedes and a Falcon flat tray!) we travelled on Churchill Avenue to Sandy Bay Road via the Channel Highway to Kingston and then via Blackmans Bay, Howden, Margate and Leslie Vale. By now brilliant sunshine had warmed things up and the views on the way were outstanding. We met up with Robin and Julie Wilmot at the Leslie Vale Hall before continuing on to Grove where we struck rather thick fog. We headed towards Mountain River and turned into the lower end of Dip Road having been warned that the other end was very rough.

On arrival just after 9am at My Slice of Pie the fog began to lift and we were bathed in glorious sunshine at this beautiful venue under the gaze of the Sleeping Beauty. We were joined by another 6 members making our contingent 25 members. Tracey and her helper had everything in readiness for us. We all treated ourselves to a leisurely breakfast consisting of berries and yummy homemade honey yoghurt for starters, toast and homemade jam, eggs, sausages, bacon, tomatoes, lambs fry and bacon and orange juice. We also had bubbly for those that liked some with their breakfast, and we finished off with tea and coffee. Once again we were spoiled for choice at this beautiful venue. All this for \$25.00 per head! Alan Briggs and Julie Wilmot were each happy recipients of lucky door prizes of a movie pass.

Well done to Tracey and her crew for ongoing support of the MG Car Club. She does not normally open on a Sunday or do breakfast but has made an exception for our Club for many years along with her predecessor, Christine – another job well done! She received a well deserved standing ovation from those present!

Sadly she has informed us that she is moving to a new venue in the near future, but the good news is that she is taking My Slice of Pie with her. We wish her all the best for her future ventures. She has already taken our

booking for mid-March next year, but this will be at a new venue. We will certainly miss the old one at Mountain River.

Bob Leeson

27th March – Margate Men's Shed Run

We departed the Civic Club at 10am on a clear sunny autumn morning Sunday with 9 cars for the run to Margate where we were joined by 4 more cars. On arrival at the Men's Shed we were greeted by Steve Huntley who, thanks to wife Jenny, had laid out a lovely spread of home cooked cake and biscuits. We were given a tour of what is a very well-appointed men's shed with a couple of our members joining up on the spot with a few more expressing interest in joining up in the near future.

Then it was onward to Drew Point for our BBQ / Picnic where all the meats were supplied by the Sub Centre and members supplied their salads etc and cakes courtesy of the Men's Shed morning tea left overs. One point of note - never forget to take the tomato sauce to a BBQ!

COMING EVENTS

10th April – Run to Dover RSL

Meet at the Civic Club at 10am for a 10.30am departure. There will be a morning tea stop in Huonville at the Huon Jet Boats café. We will then continue to Dover via Police Point for lunch at the RSL club. There will be open choice of meals from their full menu. This will be a poker run.

For further information please contact Shane Manley: 0405 077 570.

15-19 April – MG National Meeting, Lake Macquarie

Hosted by the MGCC Newcastle.

1st May – MG Day at the National Automobile Museum, Launceston

A run to Launceston for MG Day at the National Automobile Museum. There will be departures from the Civic Club on Saturday at 12 midday (coordinator Chris Wagstaff) and 7am Sunday (coordinator Peter Shaw). For those travelling up on Saturday a dinner with the Northern Subcentre members is planned. Please RSVP to Peter Shaw ASAP so that a group accommodation booking can be made. We hope to be able to fit everyone in at the Colonial which has undercover parking. Cars need to be in place at the museum on Sunday by 10am for display until 2pm. Please note that only MG's will be on display, but of course all cars are welcome to join the run.

For further information please contact Peter Shaw: 0417 641 802.

Late May/Early June – Greg Ellis Memorial Run

This will be the inaugural Greg Ellis Memorial run. We would particularly like to see as many MGA's as possible participating in the run. A possible BBQ lunch at Baskerville is being considered, but date and details will be advised next month.

For further information please contact Chris Wagstaff: 0438 055 199.

15-16th October – BBQ and Britain to 'Bunna Weekend

This year the BBQ run to David Scott's place and the 'Britain to Bunna' car show run will be combined, with the BBQ on Saturday and the car show on Sunday. Members can choose to do one event or do both and stay overnight at either the Eastcoaster Resort or Blue Waters Hotel. More details will be advised closer to the event.

With the Covid 19 regulations being relaxed somewhat our social activities can return to a little less ridged conditions and with the majority of participants being fully vaccinated with a greater degree of safety. We have the Mad Day (1st May) car display which the MG Car Club is supporting the National Automobile Museum with their "one marque display days" for all MG's not just club members.

So if there is someone that you know owns an MG invite them to come along as it would be good to see if we can get 100 MG's on display.

St Leonards Picnic 9th March

The last Summer BBQ run March 9th 2022

The club has been very mindful of Covid and has not held any indoor meetings during this period. The general feeling of members is we can now arrange indoor events again.

The last BBQ run was on Wednesday 9th March, we met at the K Mart car park in Launceston and travelled via Penquite Road to the St Leonards picnic area. Even though attendance of 10 people, we enjoyed a warm and sunny evening, great companionship and interesting discussions between the group.'

One can feel Autumn in the air, at 8pm the temperature started to drop and we all headed home.

25th March Coffee Run.

We had 38 members gather at the Casino car park at Prospect which comprised 21 cars.

The venue for the day was Woolmer's who opened up early to provide the club with a venue for our morning tea.

The weather gods smiled on us that day as the photos attest.

We arrived there by 10.15am and enjoyed a Coffee and Muffin and as with any MG social gathering you would be hard pushed to get a word in edge ways.

If that can be used as a gauge all enjoyed themselves and most got away by 12 noon to allow the venue to start looking after the normal walk-in patrons.

TJ's humour for the month of April

A man is sitting at the bar staring at his drink. After staring at it for half an hour not taking a sip, one of the bar attendants decides to have some fun with him. He picks up the man's drink and drinks it all. The man starts crying. "Don't take it like that," said the bar attendant. "It was a joke. I'll buy you another one." "It's not just that," replied the man.

"This day has been the worst of my life. First, I overslept and get into work late. My boss fires me and when I leave the building, I find my car has been stolen. I get a cab home but leave my briefcase on the back seat with my wallet in it. Then I get home and find my wife in bed with the gardener. After all that I come to this bar and then when I make up my mind to end it all, you show up and drink my poison..."

Waynes 109th Run

Things are slowly getting back to normal with 56 people in 32 cars enjoying a gorgeous drive and an outdoor lunch. The drive via the windy roads through Sandy Bay, Taroona, Blackmans Bay, Howden, Margate, Sandfly until we arrived at the Longley International was enjoyed by all. And for many there was the beautiful road back to Hobart via Nieka and Fern Tree. The weather was kind as we were sitting undercover outdoors for our 2 course lunch. Good to have David Bantoft back and taking the pics.

Remaining drives for the year are as follows,

April – Wednesday 6th (110th drive)

May – Wednesday 4th (111th drive)

June – Wednesday 1st (112th drive) – to be arranged by Bob Leeson

July – Wednesday 6th (113th drive) – to be arranged by Wal Van Schie

August – Wednesday 3rd (114th drive) – to be arranged by Lyn Cengia

September – Wednesday 7th (115th drive)

October – Wednesday 5th (116th drive)

November – Wednesday 2nd (117th drive)

December – Wednesday 7th (118th drive)

Cheers for now,

Wayne (XK 140 DHC)

Square Rigger Notes

All Pre War, T and Y Type MGs.

A collection of MGs – P, T and Y attending various events in recent months with the Southern arm of the Square Rigger group. Most pics at the usual gathering at the Beach first Sunday, Brian Cullen's TD and TCs of Alan Briggs, Mike Hobden and Dave Peters. Also good to see the handsome Y Type of Richard McCure, procured in fairly recent times from South Australia.

Another shot from the Concours back in November, the Briggs PA, TCs of Ian Campbell, Tony Gurnhill and Peter Richards, the latter departing shortly in the entourage to the Nats in Newcastle - finally after repetitious force majeure.

More Southern activities, a recent day out at Bruny Island with a good shot afloat, something TCs don't do well! And the TC of Tony Farrel in company with an omni-present Briggs MG.

A reminder of the State trip 27 – 29 May, Tarraleah the destination and accommodation arrangements down to each participant.
