Cover Story

An evening at Chesters

A pleasant summer's evening of good company in an idyllic setting that would be very hard to surpass anywhere on this planet. The good company, members and friends of the MG Car club, enjoying an evening B. B. Q. in a garden setting comparable to an English genteel magazine after a fun day at Penguin motorkhana.

The one endearing factor that put this in to the Australian back yard is, the “girls” at one end with the “blokes” well and truly at the opposite end of proceedings while things are getting underway, thankfully companionship was attained to consume the products of the B.B.Q?

And now the good bit, the idyllic setting, a Mews or car enclosure that would put most collections and museums in an envious position, if not in quantity but the quality of the cars has to be seen to be believed, there is even an MG in company with some true traditional automotive hierarchy

Rocker Cover Racing Competitors and Fans.

Friday 30th March at Noggin “N” Natter Evening – Racing commencing at approx. 7.30 pm

The Committee of the 2018 MG National Meeting encourages every attendee to bring their Rocker Cover Racer to run on what we believe to be fastest track ever. If you think you have the fastest, then now is the time to find out.

The heat winners will be decided by an electronic system which will eliminate any dodgy judging. Racers will run the best of three heats with the winner moving on to the next heat.

If you don't have a racer, then try to beg, borrow or steal one from a member who may not be coming. If that doesn't work, try building your own. Refer to the Rocker Cover Race Rules or get advice from someone who has built one before. Entry is free.

Progressive results and video will be shown on a large screen. Racing can be viewed from grandstand seating alongside the track.

Above all, we want this to be a lot of fun for all and barracking for your club will be encouraged.

2018 MG National Meeting

March 30th to April 3rd, 2018

Cradle Coast, Tasmania

Early Bird Registrations finished on February 1 and we have had a huge response for this year's National Meeting.

So if you are thinking of registering, you had better do it soon as it is almost certain we will reach our maximum numbers.

Of course even if you don't register, you can always come along and help with the events, we still need many helpers for the Concours and the Motorkhana, so please consider lending a hand. If you can assist at all over Easter, please contact me and I will provide your name to the particular event organiser. Any assistance is very much appreciated.

If you wish to purchase any of the National Meeting regalia, there is an order form on our club website, www.mgtas.org.au pictures of all regalia can also be viewed on the website. The form has measuring charts for the different sizes, please ensure you use these, we have tested them and they are accurate. Do not assume that the garments sizes will be the same as you always wear, this may not be the case. So to avoid disappointment, please follow the guides to prevent arguments. All regalia is to be pre-ordered, so please get your order in soon, so our suppliers can meet deadlines for the National Meeting.

Following the National meeting there is Post Nat meet tour and many MG's will be, travelling our lovely state.

If you see them, be sure to say hello.

The countdown is on: just 49 days to go!!

Rocking the Cradle in Tasmania, Easter 2018

Presidents Report

Saturday, the Mustard Tart (TC MG), my favourite girl and a celebration with friends, then the drive home at dusk that only those of us with open top cars can appreciate, the smell of fresh cut hay, dew on gumtrees and the cackle of the exhaust, what more could you want!

Sunday, the turn of the B, same favourite girl, wind in the hair, singing “Radar Love”, we crest the hill and there’s a blue midget heading east towards us, with the drivers beard blowing around his ears and the passengers huge grin, we waved to each other as we passed by.

Surely only this delightful English marquee could give these wonderful feelings as we exit 2017 and aim towards more of the same in 2018.

Isn’t it great to see all the events that our sub centres have planned for the next few months!

Wow 388 registrations already for our Tasmanian National Meeting making us proud and relieved that the efforts of the organising committee are starting to bear fruit.

Be reminded our committees are made up of volunteers who are working hard to represent the whole of Tasmania, so let us all get behind them and make it a year to remember.

If you’ve never attended a National Meeting before don’t miss it! Nat Meets are usually great fun and entertaining both socially and competition wise.

Holding it in our own state can save your thousands of dollars in travelling costs and unfortunately it may be out last. Nat Meet formats may have to change in the future as problems of finding venues for events and MG centres willing to run them are not forth coming.

You’ll never, never knowif you never, never go!!!!!!!!!!

President Phil

Editors Notes

The Nat Meet is well represented in this month’s edition, I’m sure the Natmeet committee would welcome any members willing to give a hand at the venues mentioned. And many thanks to the magazine contributors

The running of the Annual Tasmanian Concours is also being reviewed with a number of constructive ideas being put forward to date, members who may like to contribute with ideas are asked to do so through the state committee at this stage, then if a separate committee is put in place, members from the three sections can join a committee or put forward relevant ideas. Suggestions already put forward include, when the concours is run, in conjunction with other relevant events or not, time of year, classes, weighting of categories, etc.

This may also be extended to all aspects of the club with members having an input through your state committee.

Thank you to John Irving for his contributions to the magazine. Ed.

PAST EVENTS

14th January – Poker Run, Dru Point.

The intention was to travel to Cygnet and on to Margate, but considering the Festival was on that weekend and roads closed we decided on coffee at Woodbridge instead, travelling there via Fern Tree, Longley and Margate returning from there to Dru Point for the BBQ. After some confusion on the whereabouts of hut 4 we all eventually settled in for a pleasant afternoon amongst good company. 25 participants left the Civic Club at 10.00am MG Time where the first card was dealt, 2nd card at Longley Hotel, 3rd card at the Margate Heritage museum, 4th card at the Woodbridge Hotel and the last one at our

MG Car Club of Tasmania – MG Monthly Motoring News, February 2018

destination, Dru Point, Margate. Here we were joined by latecomers - Lyn C and Peter Fitz at 1.15pm who came off the Ferry from Bruny – once the cooking had been completed (but they did help with the cleanup).

After the skulduggery (card swapping) was sorted out it was congratulations to Kevin and Irene McGuire who were pronounced the winners of the pot. Also those who had a birthday in January received a box of chocolates compliments of the Southern Sub-Centre, who also provided about \$120.00 towards the cost of the meat.

Shane Manley received 2 fines: one for travelling too close to the car in front and the other for cheating! Well done Shane. Thanks to chefs Robin Wilmot, Bob Leeson and Rod Harris for a great barbecue and to those who donated a gold coin towards the hire of the hut.

20th January – South East Rally.

This Annual event, organized by the Post Vintage Car Club, departed from the West Point Car Park commencing at 9.30am. The route covered 198 km and included Lindisfarne, Bridgewater, Ferntree, Margate, Gordon, Cygnet, Glaziers Bay, Cradoc, Lucaston and Longley. A very nice run enjoyed by about a dozen MG members. Peter Shaw gained 1st place in his class and Bruce Hills 2nd in his. Not aware of any other results.

They all commence at the Rivulet Café, 64 Anglesea St, South Hobart where we partake of a coffee before heading off to our destination around 11.30am. This is the first run for the year. The remaining dates will be out soon. For further information please contact Wayne Goninon: 0408 388 881

10th March – All British Day. This will be held on Parliament House Lawns. Further details to follow.

18th March – My Slice of Pie. "Breakfast with a Difference". Christine advises that she no longer opens on a Sunday, but will open as a special favour to us if I can guarantee 20 participants. She is offering her usual scrumptious breakfast for the ridiculous price of \$20.00 per head. We will be departing the Civic Club at 8.15 on the dot to be there by 9.00am. RSVP to Bob Leeson by 9th March so that I can confirm numbers to Christine. For further information please contact Bob Leeson: 0362 296006 or Chris Wagstaff: 0362 391341

For further information please contact Richard Holtsbaum: 0418541230

30th March-3rd April – National Meeting. This year it is Tasmania's turn to hold this prestigious event. Preparations are well underway on "The Cradle Coast" in the North West of the State.

The first Friday coffee run for 2018 was held on February 2nd. 13 cars travelled down the West Tamar, via Grindelwald and Deviot Rd onto Paper Beach where we stopped for coffee and a delicious morning tea at Reilly's on the River. The staff at the coffee shop did an amazing job to cater for the orders of 26 people. The setting overlooking the Tamar River was perfect for a New Year catch up. It was great to have so many join us on a beautiful summer morning.

NON-DESTRUCTIVE TESTING SERVICES

**Mechanical, Structural, Automotive crack testing & condition
assessment of all ferrous and non-ferrous materials**

Mechanical components are subjected to stresses in service from dynamic and static loading, temperature changes and corrosion resulting in cracking which can remain undetected visually until there is a catastrophic failure. This can be accelerated by exceeding design loads, inadequate maintenance or remaining in service in excess of the lifespan intended by their designers.

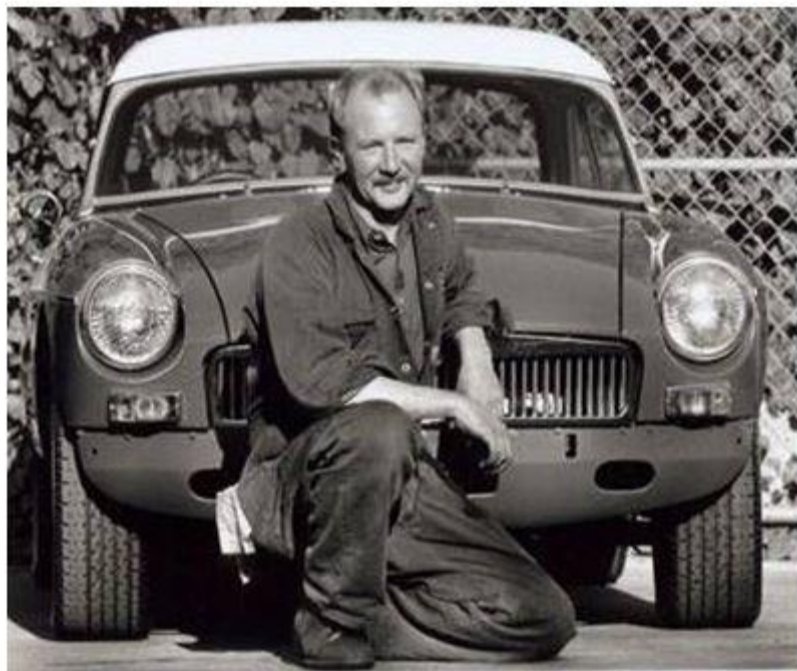

The correct NDT method applied according to strict guidelines by a trained and certified technician can detect cracking in metallic structures, welds, castings and forgings before they are large enough for the part to fail in service.

For advice and applications talk to **Chris Blake** to discuss your requirements large and small, I have tested everything from wheel studs to Hydro turbines. Full reporting provided to Australian Standards, I am certified to AS3998/ISO9712 with the Australian Institute of Non-Destructive Testing (CB# 4679) and carry full public liability insurances.

Firstly we would like to thank all those who responded to our call in last months magazine for officials and competitors for this trial event. On the day Bronwyn Zuber, John James and Craig Twinning handled all the registrations and results, Geoff Dodge was our scrutineer with Mike Wellman and Roger Richardson being assigned the job of time keepers with Margaret and John Hartley also travelling through to assist. Margaret Bannon, Susan Fraser and Sue Anne Midgley were on the food table. The three tests chosen by Robin worked very well and will remain for the National meeting. We had three female entries with all competing in MG's and fifteen other entries of which eleven were MG's and one junior, Cameron Howie in the tRusty Toyota. At the end of the day it was Demon Midgley in the ZR Bubble car that had the best time followed by a veteran of motorsport in Peter Richards , competing in the Miedecke Special . Next is the real deal and if this trial and the support it received is any guide then all's going to go well.

Exhaust notes

Thankfully the engine remained in place for the motorkhana, interesting to contemplate how the car balance was compensated for on removal of the ballast though?

You thought the lunar eclipse was a rare event, I believe there's a similar mooning looming!

Enquiries to Tony Lansdell and Robin Wilmot for details!!

(is Robin going to honour his bet?)

For Sale

The MG I would like to sell is a 1968 Mark2. It is in good condition and is mechanically sound. It has electric overdrive, SI rego. I am not sure of the asking price but I would think around \$12,000 but I would accept advice on that or would be open to a reasonable offer.

Regards. Peter Dart . 0400610752.

First aid kits and defibulators have now been made available to each of the three sub-centres. Would the co-ordinators or designated member of each run make sure this equipment is available should it be required during a club run.

SQUARE RIGGERS

All Pre War, T and Y Type MG's.

Historic turn-ups always welcome to adorn this page, these belonging to the Saward brothers then of Wynyard. The TD owned by Winston Saward for a year or two late 50s, looks very well presented. The chrome bonnet strips, stone guards and other 'extras' are very likely to ring bells? The new YT belonged to brother Bern and the TC Jim. More history of these also is anticipated! Pictures courtesy Winston Saward, details Tony Wilson

As all will be aware, David Taylor has 'traded' the TF on a yacht, thanks David for your association over nearly 10 years of T Type motoring. Event dates for the year have been set out, please mark your calendars:

North 4th March

N&S 3rd June

Extended w/e tour 19-21 October

N&S Baskerville Historics Sun 23rd Sept.
