A chat with Chester McKaige

Chester and Sally McKaige moved from Melbourne to Carrick House with Chester's prestigious car collection about 7 years ago. They moved for lifestyle and so they could use the cars to a greater extent - an excellent move as we all know it takes many hours in Melbourne to get to interesting windy roads whereas in Carrick they are literally on their doorstep.

Chester's passion for cars (Sally says 'obsession') is directly attributable to his father who was an aeronautical draftsman, a passionate car enthusiast and Foundation member of the Veteran Car Club in Victoria. Chester described his father as pedantic and a perfectionist and himself as a bit over zealous. Chester has always liked using his hands and tinkering, and credits his father teaching him to use a lathe. He was taught to weld by his father-in-law, taught himself to mill and had a career in sales and marketing with Penrite Oils. The dots all connected and his passion has become way more than a hobby. If you are fortunate to be invited to their home and garages you will be gobsmacked not just with the amazing array of collectable cars, but the astonishing memorabilia that surrounds them. There are historical photographs, pictures, a steam train, large model planes, a two stroke Velo Solex bike, a motor bike that Chester rebuilt when he was 14, model cars and so much more.

Everything has its place in the immaculately kept garage and workshop - I look forward to revisiting with a bit more time on my hands.

Chester's father was given a 1925 3-litre Bentley by his father in 1947 as his first car. The obvious question to Chester was 'what did your father buy you as your first car?'. The answer was a Morris Minor which led to Chester's fondness for them (something we both share as my first car was a 1949 side-valve low light MM). He was a Founding Member of the Morris Minor Club in Victoria in 1978 and wrote the history of the Morris Minor 'Morris Minor - A Lasting Experience'. Other books he has authored are 'History of the Alvis Car Club (Victoria)' and two volumes of 'Beyond the Lens', a collection of his father's photographs.

He has owned many cars including an MG TC, a 1911 Mors (rare French car), Austin Healey, and an Austin Seven.

Chester's current cars are:

1925 3 litre Bentley which is his favourite car for sentimental reasons.

1927 Delage DM which is Sally's car and his favourite touring car.

1924 Alvis 12/50 Ducksback which he has owned for 20 years and is his fun car.

1905 Darracq single cylinder 8 h.p. which he has owned for 12 years, and is notable for having one of the world's first V8 engines. A V8 of 200h.p. was also manufactured in 1905 and held the World Land Speed Record.

1907 40 hp Napier Tourer, which cost £1,295 in 1907 (a small fortune back then).

WGM 500 Australian Special. It raced in the 1956 Australian Grand Prix and was the first racing car in Australia to have disc brakes.

1936 Alvis Speed 25 Saloon.

Morris Minor 1000 fitted with a FWA 1100 Coventry Climax engine with a MG TA gearbox. (Not pictured separately)

Chester said that he had many people to thank who have worked on his cars over many years in both Melbourne and Carrick. He joined the MG Northern Sub-Centre Committee with his Bentley, and subsequently bought one of the earliest MGAs in Tasmania.

He and Sally had nothing but high praise for the Northern branch of the MG Car Club as they found them very welcoming, helpful, supportive and allowed them both to fit in and immediately develop many close friendships.

President's Report

Goodbye 2020 and welcome to **2021**. Let's hope it is a better year.
I hope everyone had an enjoyable Christmas and New Year.

Let the social activities at each Sub-Centre begin. I am sure there will be a variety of events one will be able to attend throughout the year.

Our first competition event is a Motorkhana being held at Baskerville Raceway on Sunday 17th January. They are great to participate in but just a good to watch.

Spectators are welcome, proving they adhere to the current State Covid 19 Regulations. Spectators will be required to supply their name and mobile contact details on entry to the "Pit" area.

The club still **does not have a Secretary**.

We also require a Northern General member.

I have been on the State Committee in many roles for the last 15 – 20 years. A position I haven't held is Editor, and I will leave the committee before doing that role, (keep going Andrew, your job is safe from me). I have enjoyed meeting and working with many members of our wonderful club.

Come on members, there must be someone in our club that can spare some time to fill this position. Without an official Secretary it places another workload on other committee members. You are provided with a laptop and a small printer could be supplied.

The next State Committee is being held on Wednesday 3rd February at the Man O' Ross Hotel at 7:30pm.

Any financial club member can come and be an observer to a State Committee Meeting. You can contact myself (0419 569 156) or any committee member.

I look forward to catching up with and meeting new members of the club during the coming year.

Let's keep enjoying our MG's.

Ed Says

We hope you all enjoyed your Xmas, we were fortunate to have all 3 of Sue-Anne's children and partners and grand-children home for Xmas, This was not without its challenges as travel plans from and to interstate were changed at the last minute to avoid hot spots and quarantine requirements.

We got to spend 10 days all together, we got to celebrate those great moments during Covid, that we were prevented from being part of, a wedding and our second grandchilds first 7 months. Technology is great and being able to facetime or video call is fantastic, but you cannot beat those cuddles in real time.

So goodbye, au revoir, cheerio, farewell, adieu; take that 2020!!

Wishing all member s very Happy and hopefully uneventful 2021. Our governments seem to have a handle on this Covid calamity, so all of us here in Tassie, should be able to go about life under the new normal. Yes we still have to sign in and sanitise and international travel is still some time away. But small sacrifices when you look at the news and vividly see the alternatives. It just means we can get out and enjoy our cars more.

Our social runs are building in numbers and finding venues that will accept bookings for sizable groups is presenting some challenges, but while we are getting out there we are supporting the locals and at the moment that is quite important. But more importantly is you must advise the co-ordinators that you are coming. With limitations on numbers in place, you may unfortunately be told you cannot come on a run because the numbers have already been finalised.

And all those happy snaps you took while out and about on MG events, don't forget to email them to the editor for the magazine. Only a few came in for this month, and that does not reflect the number of events that were on before Xmas.

NON-DESTRUCTIVE TESTING SERVICES

Mechanical, Structural, Automotive crack testing & condition assessment of all ferrous and non-ferrous materials

Mechanical components are subjected to stresses in service from dynamic and static loading, temperature changes and corrosion resulting in cracking which can remain undetected visually until there is a catastrophic failure. This can be accelerated by exceeding design loads, inadequate maintenance or remaining in service in excess of the lifespan intended by their designers.

The correct NDT method applied according to strict guidelines by a trained and certified technician can detect cracking in metallic structures, welds, castings and forgings before they are large enough for the part to fail in service.

For advice and applications talk to **Chris Blake** to discuss your requirements large and small, I have tested everything from wheel studs to Hydro turbines. Full reporting provided to Australian Standards, I am certified to AS3998/ISO9712 with the Australian Institute of Non-Destructive Testing (CB# 4679) and carry full public liability insurances.

PAST EVENTS

15th December – Christmas BBQ. Civic Club.

Once again this annual event was well supported with 42 members in attendance. The cooks (Bob and Steve ably supported by Mark) were on hand at 4.30 to prepare for cooking. One difference this year was a prawn entrée in lieu of the traditional chicken wings. The prawns were very well received by our guests along with the free drinks, compliments of the ex race committee. A replacement barbecue is in hand to replace the trusty old rickety and unreliable one we have used for many years.

Frank Manley was pleased to receive his exquisite bottle of whisky in recognition of his fund raising work during the year in spite of COVID. Also Wayne Goninon was presented with a nice bottle of wine for his Mid-week run exploits. Many lucky door prizes were handed out by Santa.

Once again some of the ladies in the club prepared a wonderful selection of desserts and salads, coordinated by Di, and received boxes of chocolates in appreciation of their efforts.

Many thanks to all who helped to make this a great night shared by like-minded MG enthusiasts. Special thanks to Robin Wilmot for his great efforts in procuring and preparing the food for the event. A pleasant evening enjoyed by all who attended.

COMING EVENTS

10th January – Gordon Jetty BBQ. Basic BBQ meats supplied, BYO drinks. Departing the Civic Club at 10.00am. Stopping for coffee at the Margate Heritage Museum *For further information please contact Shane Manley: 0405 077 570*

16th January – South East Rally. A great event not to be missed. Commencing at Wrest Point from 8.00am. This event is organised by the Post Vintage Car Club of Tasmania and is held in January each year. It is a timed event with competitors leaving at 30 second intervals from the Wrest Point car park. If you are interested entry forms are available at the Civic Club or by

download from their website. See Flyer elsewhere in the magazine for further details. *For further information please contact Bob Leeson: 0362 296 006*

3rd February 2021 – Wayne Goninon's mid-week run.

These runs all commence at the Rivulet Café, 64 Anglesea St, South Hobart where we partake of a coffee before heading off to our destination around 11.00am. This is the first run for the year 2021. *For further information please contact Wayne Goninon: 0408 388 881*

7th February – Classics on the beach. An informal gathering of collectable cars at Long Beach Sandy Bay on the first Sunday of each month from around 09.00am to noon. All are welcome to attend. *For further information please contact Bob Leeson: 0362 296 006*

14th February – Day trip to “The Wall in the Wilderness”. Depart Civic Club at 9.00am sharp. BYO BBQ at Tarraleah or local cafes for lunch. Devonshire Tea at Glen Derwent on the way. *For further information please contact Chris Wagstaff: 0438 055 199.*

14th March – My Slice of Pie. This is our annual “Breakfast with a Difference” at Mountain River. We will depart the Civic Club at the usual time **8.10am** to be there by 9.00am where Tracey (the new owner) will have everything in readiness for us. Cost is again \$25.00 per head!! for a delicious breakfast. *For further information please contact Bob Leeson: 0362 296 006 by 10th March if attending for catering purposes.*

18th April, 2021 – Dave Scott BBQ, Orford

Once again Dave Scott has agreed to hold a BBQ at his house at Orford. We are hoping to include a distillery tour and tastings at the **SPRING BAY DISTILLERY**. *For further information contact Kevin McGuire 0409 315 014*

Southern Car Enthusiasts Run

The 2020 December drive had mild and windy weather and windy roads (don't you love the English language) from the Rivulet Café past the Brewery to Huon Road then down through the Waterworks, followed by the Proctors Road hill climb, the boring Southern Outlet, the windy Channel Highway over Bonnet Hill, then through the Sandy Bay suburbia to the University Club. We then parked mostly together and enjoyed a delicious two course meal with wine in a convivial atmosphere. It was the first time for many of the 75 participants in over 40 cars at this venue. Many thought the meal and service was one of the finest for the year.

The first drive for 2021 will be on Feb 3rd, so in the meantime, the South East Rally will be held on 16 January 2021 –the invitation is attached

It's been a strange, different and difficult year for many of us, and I take this opportunity to wish each and every one of you a safe and wonderful Christmas, and a healthy, happy and prosperous New Year.

Best wishes,

Square Rigger Notes

All Pre War, T and Y Type MG's.

A historic photograph taken by Bill Whenn, here on a different slant with apologies for the neck gymnastics

A classic shot of an MGCC gymkhana at Bushy Park around 1964 (a regular event and venue) and a collection of members and cars of significance in the day. The star attraction on the grid is the Lea Francis of Charlie Hey captured on this round in the hands of Tom Hey. From left, black MGB probably Bills, EH Holden, Alister Shoobridge and Land Rover, white Sprite obscured, Tony Prinz with red TR4, cream TD and Bill Flaws' Speedwell Mk I Sprite behind the LeaF, Vern Tuckett and Joeg Andersch Mk II Sprites, Chris Edwards NSU Prinz, Mini of Adrian Walters and probably Cliff Cook and TD. Also competing not shown is Tom Hey in the TC. Please note any corrections, additions to this Club history will be appreciated.
