Cover Story

Thank you to John Irving for the action shots of MG's enjoying themselves at the motorkhana, it's possible the drivers were enjoying the action at least as much and in some sort of control for most of the time?

An account of proceedings is best outlined in the Presidents report and the Club Captains in depth description of events with results and the spirit of the day being outlined with such eloquence in both cases.

Presidents Report

Presidents Message July 2018

India - the MG search continues.

1.2 billion people, incredible food, incredible scenery, inspiring colours and costumes, the famous heat, garbage, frightening roads and traffic conditions - but what does all this have to do with the MG Car Club of Tasmania?

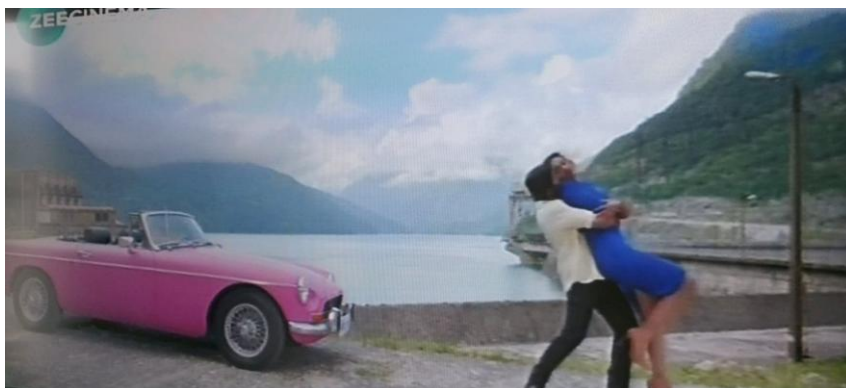

If India taught me anything, it was a sense of proportion of what is important and what isn't.

1.2 billion mostly very friendly people, who are all trying to scratch out a living certainly made me appreciate what I have.

Our car club, which is mostly a social club, with some competition element is a source of enjoyment to us all, but only if we don't lose sight of its purpose to provide fellowship and fun to its members and don't take ourselves too seriously.

Whilst watching another unavoidable Bollywood Movie in Jaipur, featuring the grandest of mountain scenery, the most handsome and beautiful Bollywood actors, a lake as grand as the music and dancing, there it was, the star of the show, a pinky red MGB .

MG Car Club of Tasmania – MG Monthly Motoring News, July 2018

Last Sunday it was great to catch up with members from all over the state at the Latrobe Motokana.

This fun event, organised by our club captain, Craig Large and his family, supported by many volunteers, showed how relaxed and competitive this type of event can be. Six tests were run with an efficiency which showed that Kelli Large had studied the Motokana guide in great detail.

I only hope that more of our members will consider trying Motokana's, they're certainly the thinking person's competition.

You only had to see the banter and rapport between John James and Kevin McGuire (Gerke's) in their twin MX5's to appreciate what fun it can be.

Don't let winter discourage you from using your sports car and participating in the many great events coming up.

DELIVERY AUSTRALIA WIDE

Club Captain

Round four of the Tasmanian Motorkhana Cup was held in bright and sunny, but icy cold conditions at Latrobe Speedway on Sunday the 24th of June. Twenty-three competitors braved the winter chills to come out and play which resulted in some fantastic State Level competition. Nick Yaxley was untouchable in his Fiat 127 Special, taking the win from Stephen Turner in his Mitsubishi Mirage and Mark Young in his MR2. The battle for the minor places was hotly contested with the top 10, changing after almost every run.

One of the most ferocious battles of the day was between MX5 owners John James and Kevin McGuire with John snatching the honour from Kevin in the final stages of the day. Kelli Large was the first Lady home, driving like a demon in Damien Midgley's "Super Bubble" to finish in the top ten. Our field of juniors showed plenty of talent with great drives from everyone. Nathan Russell took the Junior honours from Cameron Howie who just seems to get better and better every time I see him drive and Noah MacIntosh who was not far behind in third. Some errors in the first couple of tests put James Large behind the eight ball for most of the day, he regrouped however and laid down some times in the last few tests that those in the top ten would be proud of and wound up his day 4th Junior and 21st outright.

All in all, everyone had fantastic day enjoying the comradery of shared competition and blue skies, we were all grateful to Sue-Anne and Andrew Midgley and the other members of the northwest group who provided us with the best egg and bacon muffins, hamburgers, sausages and drinks on the coast. It's even rumoured that some members (Terry Sansom) journeyed from far off places (Launceston) just for Andrew's cooking. Just as well Andrew was diligent with his quality control checks.

If you have any children or grandchildren twelve years old or older who would like to give Motorkhana a go, please bring them along to our next event on the 29th of July at Latrobe Speedway. Our Kids are the future of both grassroots motorsport in Tasmania and that of the club. Further inquiries about what you need to get into this form of motorsport can be made to me directly on 0408 559 252 or club-captain@mgtas.org.au.

As much as I grumble about icy winds and early starts, organising and running our club competition events is an endless source of pleasure for me; partially because I love seeing competitors of all ages and skill levels having a crack at a sport I love, but also because I have the privilege of working with a group of seasoned, hardworking people who never fail to give it their all to make every event a success. Whether it is a multi-club motorkhana, or Super-sprints at Symmons or Baskerville, every event we as a club run is of the highest standard and this result is in no small part brought about through the support of all those people who chip in their help on the day.

There is another group however, who deserve special recognition from me. These people work tirelessly in the background to ensure that any issues raised are sorted with a

MG Car Club of Tasmania – MG Monthly Motoring News, July 2018

minimum of fuss. They don't throw up their hands and rant and rave about the problems, they are the ones who highlight an issue where necessary and in the same breath propose a solution and the ways to implement it. These are the people from whom I have learned during my years at the club and are the ones I rely on for assistance and advise to do my job as Club Captain. Craig Twining, Geoff Dodge, Kelli Large, Greg Bannon, Don Fraser, Bronwyn Zuber and Robin Wilmot are the team whose contributions make my job easy and club level competition events the resounding successes they are. Each one has my personal admiration and gratitude, thank you one and all.

Editors Notes

Firstly a big thank you to Andrew Midgley for taking on as magazine editor for a few months. Work got in the way of one month, then a holiday to the north island overtook events for the second month, where Andrew once again, kindly stepped in at short notice with possibly some inconvenience to himself.

If any articles recently submitted have not appeared as yet please resubmit them or contact the editor, one of the reasons I had to refer to Andrew was that the electronic “aids” (I’m now very doubtful of that word) failed to operate, “not for the first time”, on the equipment I hoped to use whilst away. All this modern stuff seems less reliable than some of the more mature cars we drive (when they are not having a moment?) but even then they are usually not that hard to put right and definitely worth it!

As the weather improves no doubt the outings will be more active please keep the articles coming in with the pictures that add the depth to the stories.

For those lucky enough to be where the climate is more temperate this time of year, what a good idea. Ed

PAST EVENTS

17th June – MONA. A brisk and cool rainy morning greeted members at the Civic Club in Hobart. I was the only member with an MG, the rest turning up in their second cars including Toyota, Holden, BMW, Jaguar and RAV 4. Leaving the Civic Club at 10.25am we travelled through the city along the Brooker Highway to Berriedale and the entrance to MONA. Most of the members found a parking spot in the MONA car park. Having presented our ID's all had coffee in the café with a view of the Derwent River through the window. Members strolled through the Modern Art Museum as you can see in the pictures. There were some interesting exhibits, some of which were a bit risky. I

must admit that the owner certainly knows how to draw a crowd! Lunch was at the Granada Tavern where club members got a discount senior's meal. All meals were large with some left on the plate. First time I have seen Di and Bob return their meal, having ordered roast and receiving corned beef and got their money returned. Garry Rusden was a seagull eating Frank and Sylvia's chips and some of my garlic bread. The best meal was the fisherman's basket. Thanks to Garry for minding the cars at the Granada.

Northern Sub Centre

Winter Wonderland Weekend Update

Northern Sub Centre members will meet at the Car Museum at 10.15 to travel the back roads to Campbell Town.

Saturday 7th July Meet at JJ's Bakery in Campbell Town at 11.30 am for lunch. We will leave at 12.30 pm and then travel via Lake Leake Highway through to Bicheno arriving at 1.50 pm for a comfort stop and a stretch of the legs. At 2.00 pm we will travel to White Sands Estate arriving at 2.30 pm for afternoon tea at the Brewhaus Bar & Cafe or for those keen to sample the local products can try the Iron House Brewery, Winery & Distillery range. At 3.30 pm we will depart for our overnight accommodation at the Bayside Inn at St Helens checking in and meeting in the downstairs dining area for pre dinner drinks with the usual mandatory game to test the skills. Dinner will be held at the Bayside Inn and will be a la carte with a few games after.

Sunday 8th July We will have the option of breakfast at the Bayside Inn dining area. At 10.00 am we will travel a short distance for morning tea at a local winery that Kuzz assures me is well worth a visit if you like a red. After this visit we will head back to our various ends of the state with the Northerners travelling back over the Weldborough Pass.

We have 34 starters at this stage and if you have any questions or additional ideas for the weekend please let myself or Mike Paine know.

PAST EVENTS:**Visit to Richard Edmunds's Workshop**

Wow! what a day. Clear blue skies, sunny, no wind. We headed off to Rowella via East Tamar, Piper's River Road, Mt Direction and the Batman Bridge before arriving at the house and workshop about an hour later. It was a most relaxing drive. We were greeted by Richard and his well-mannered dog on a sunny terrace all complete with blazing pot-bellied heater. Not really needed but created great atmosphere. After hello, hello, pleased to meet you, etc, it was straight to the workshop.

We had to walk past Richard's latest project, - [a partially completed engineering masterpiece, a crankless 8 cylinder engine, originally designed by an aussie way back in the 1920's], – before reaching and touching and ogling the immaculate 5/8th scale red Sunbeam Tiger Fishtail, complete with V12 engine. After firing up, the dog liked the roar almost more than we humans.

The Land Rover of course is internationally famous. At the recent 70th birthday celebrations for the marque recently held in Cooma, Richard's model car almost stole the show from amongst the 1000 or so other "full-size" entrants. The factory engineer attending from England was, well, gobsmacked.

Then there is the fantastic little Fowler Crawler, complete with 2-stroke single cylinder diesel.

Ok. Mum probably comes first, but if you couldn't/didn't make it you missed an unbelievable collection of working model vehicles showcasing one man's engineering expertise. Fifteen or so members attended, wagging Mothers Day. Eventually, suitably awed,

MG Car Club of Tasmania – MG Monthly Motoring News, July 2018

we sauntered back to the terrace, relaxed in the sun and had a beautiful picnic lunch of platters prepared fresh that morning by Banjos.

As I said, Wow! what a day.

Cheers, Jim.

NON-DESTRUCTIVE TESTING SERVICES

Mechanical, Structural, Automotive crack testing & condition assessment of all ferrous and non-ferrous materials

Mechanical components are subjected to stresses in service from dynamic and static loading, temperature changes and corrosion resulting in cracking which can remain undetected visually until there is a catastrophic failure. This can be accelerated by exceeding design loads, inadequate maintenance or remaining in service in excess of the lifespan intended by their designers.

The correct NDT method applied according to strict guidelines by a trained and certified technician can detect cracking in metallic structures, welds, castings and forgings before they are large enough for the part to fail in service.

For advice and applications talk to **Chris Blake** to discuss your requirements large and small, I have tested everything from wheel studs to Hydro turbines. Full reporting provided to Australian Standards, I am certified to AS3998/ISO9712 with the Australian Institute of Non-Destructive Testing (CB# 4679) and carry full public liability insurances.

Or email Claremont.girl.guides@gmail.com

The Claremont Girl Guides are holding the Trash to Treasure Car and Bike Show this year. We are continuing to support four Guide Units.

At our Trash to Treasure Car and Bike Show last year we presented 10 trophies in the following categories: Best Engine Bay, Best Interior, Best on 2 Wheels, Best Import/Foreign, Best Rod/Custom, Best Paint, Best Ford, Best Holden, Guide's Choice and People's Choice.

This will be the ninth year and appreciate the support we've received over the last eight years—thank you! We are looking forward to another exciting event this year and welcome both existing and new supporters.

There is no car entry fee however, we do appreciate the gold coin donations we receive. *If your club would like to sponsor a trophy category of your choice there is a \$50 donation required. To discuss the opportunities please call me on 0437 075 623.*

To help us be ready on the day, we ask that drivers bringing cars for display to arrive between 9.00-9.45am.

Sunday 11th November
Claremont Village Green and Girl Guide Hall
Corner Main Rd and Boxhill Rd Claremont

The presentation ceremony will commence at 1.30pm. We would ask those receiving one of our Awards to stay for this ceremony to allow our Guides to present the trophies to the driver. I have also enclosed a flyer. If possible please display this to encourage others to come see your cars.

If you have any questions or need further information please contact me on 0437 075 623 or email <Claremont.girl.guides@gmail.com> We look forward to your support for our local Girl Guides.

SQUARE RIGGERS

All Pre War, T and Y Type MG's.

A standout MG now resident in Tasmanian joining the fleet of Pre-56 MGs this TB brought to the State in recent years by Tim and Sheena High. Now SI registered and ready for the road. This MG is particularly interesting for it's originality detail having been sympathetically restored c 2002 retaining original features including those inherited from the TA, some times 'modernised'. And equally significant it's log of six owners and registrations back to the first as a 'Mechanically Propelled Road Vehicle' 27th June 1939.
