Sheffield Mural Fest

Kentish Arts Commerce and Tourism is excited to announce Mural Fest will be taking place between Monday 7th November and Friday 11th November 2022.

This year nine artists from around Tasmania will be selected to paint a mural over a five-day period based on the theme 'The Place I Call Home'. Two prizes will be awarded, The People's Choice Award (\$7000) and the Highly Commended Award (\$2000). These murals will remain on display in Mural Park for eleven months until the murals are relocated to the towns they represent, forming Kentish Arts Commerce and Tourism's newest initiative, the 'Tasmanian Mural Trail'. This unique mural trail will begin and end in Sheffield and will showcase the special characteristics that towns around Tasmania call their own.

Inspiration for the artwork is drawn from regional and rural Tasmania whether it is the physical or human characteristics of a place (landscapes, flora, fauna), the human characteristics such as culture, the built environment, or industries rich in history such as produce, wine, agriculture, and fishing. Identifying emotive bonds and attachments to **'The Place I Call Home'** will provide towns in Tasmania with their own beautiful mural to take pride of place for the local community and visiting public to enjoy.

2020 Winning Entry "The Changeover" by Fereleth Lee & Alicia Swiderski

So whilst visiting Sheffield for our annual events take the opportunity to view this years murals, if you have not visited the murals before then this is your opportunity to partake of this impressive event.

President's Report

This is my last report as President as my “reign” will come to an end at our Annual General Meeting at Sheffield on Saturday 19th November. As per our Constitution the position of President is a maximum of 2 consecutive years.

Our competition events for 2022 have now concluded, with our last event being held on Sunday 30th October at Baskerville Raceway.

Sub-Centres have organised runs well into 2023. Join in and enjoy the company of fellow members.

The State Committee as investigated the Carbon Neutral Policy for the club, so when the time comes the club will be in front of the eight ball. Mark Harrington, (the secretary) took this arduous task on. There has been information re this in the magazine for several months. Members will be able to voice their views at the AGM.

Reminder: If you haven't already booked accommodation, informed Colleen Jeffrey of your attendance for the Annual Presentation please do so as soon as possible so numbers can be finalized.

With the election of the 2023 State Committee not far away it is time for members to think how they can contribute to the running of their club. State Meetings are held by Zoom. Positions vacant are *Editor* (most important as it is the communication with club members), *Club Captain*, *Regalia Officer*, and a *General Member North*. If interested in any position, please don't hesitate to contact a current State Committee person before or on Saturday 19th November.

I would like to thank all my fellow members of the State Committee for their support and assistance over the past 2 years.

I wish the members of the incoming State Committee all the best for 2023.

Keep safe, have a happy Christmas (scary it has come around so quickly) and let's keep enjoying using our MGs.

Zube

Reminder to all members re membership renewal.

If you have not renewed your membership for the 2022-23 club year, this will be your first, last and final reminder. This will be the last magazine you will receive, so next month if you do not get a magazine, it is probably because you have not renewed your membership.

All payment details are on the renewal form, should you require information re your renewal please contact me via email at membership@mgtas.org.au or by phoning 0447 642 793.

AGM 2022

Retraction of Notice of Motion

Notice of the Annual General Meeting for 2022 was placed in the September magazine. A Notice of Motion was included proposing that the present voluntary member contribution towards the purchase of carbon credits be made compulsory from 2023/24. We have received legal advice that this proposal is unconstitutional. The Notice of Motion is therefore withdrawn. Payment of a carbon credits contribution will remain as a voluntary purchase only.

For the reasons outlined in the Carbon Neutral Policy statement in the September magazine, the State Committee are still of the opinion that paying a carbon credit contribution is in the best interests of the Club, and members are encouraged to make this voluntary contribution. Members will have the opportunity to raise questions and express their opinions on the Carbon Neutral Policy and payment of carbon credits at the AGM.

NON-DESTRUCTIVE TESTING SERVICES

Mechanical, Structural, Automotive crack testing & condition assessment of all ferrous and non-ferrous materials

Mechanical components are subjected to stresses in service from dynamic and static loading, temperature changes and corrosion resulting in cracking which can remain undetected visually until there is a catastrophic failure. This can be accelerated by exceeding design loads, inadequate maintenance or remaining in service in excess of the lifespan intended by their designers.

The correct NDT method applied according to strict guidelines by a trained and certified technician can detect cracking in metallic structures, welds, castings and forgings before they are large enough for the part to fail in service.

For advice and applications talk to **Chris Blake** to discuss your requirements large and small, I have tested everything from wheel studs to Hydro turbines. Full reporting provided to Australian Standards, I am certified to AS3998/ISO9712 with the Australian Institute of Non-Destructive Testing (CB# 4679) and carry full public liability insurances.

Ed Says

Well this should be my last magazine for the club. I was roped into this job back in 2009 (my first full year in the club) to fill in as Editor when the then elected Editor was not able to fulfil the duties. Since then I have had a break in 2017-2018 while I was secretary for the 2018 National Meeting and the late John (Jack) Frost filled the role which I then re-inherited on his sudden passing. And then in 2019 Cheryl Gurnhill was Editor as I knew we would be away travelling that year.

So you have all had to put up with me every month for about 10 of the last 13 years. Well now a new chapter in our lives is beginning and with all our grand children living on the mainland, Sue-Anne and I have decided to become temporary Tasmanians and spend as much time as we can with our young families as they are growing up. I would like to thank all members who have supported the magazine during my tenure as Editor, your support and encouragement has made this job so much easier. Sue-Anne gets a special mention here, she is my proof reader, she is quite often my courier and is expert with the covers.

I wish the next Editor all the best, I am sure he/she will get as much support as I have had and of course I will change my phone number and email so I am uncontactable (just kidding) help is always just a phone call away (promise).

So whoever the new Editor is, congratulations on accepting the challenge, and don't worry about making mistakes I made heaps and still kept getting the job?

Just a follow up on our electrical gremlins in the MGF, so after much research and finding a document called the Electrical Library for MGF, (*if any MGF owner wants a copy of this document, get in touch and I will organise a download from my Dropbox as it is too big to email*). The alarm that I was getting after replacing the Immobiliser was in fact the FOB detection alarm. There is a transponder at the ignition switch to detect that the FOB is in the car when the car is running, this was the issue. Quick clean of plug contacts and all fixed. For any MGF owners the alarm is a repeated burst of 4 short beeps then a pause. It is also the warning that your FOB batteries are going flat.

Evening Meal Friday

Members travelling into Sheffield on Friday 18th November and desire a meal before the N & N Evening (which will offer you finger food throughout the night) are urged to book prior to Friday evening at one of the venues offering evening meals. We suggest The Sheffield Hotel (03 6491 1130); Mountain Mumma (03 6491 1041); Sheffield RSL Club (03 6491 1393); or Moo Choo offering both dine in and takeaway (basic) menu until 7pm (03 6491 1709). Sheffield Hotel and Mountain Mumma also offer *takeaways* - pizzas or choices from their inhouse menu, but both advise to pre book your takeaway order for the time required if you have a schedule to meet.

We look forward to welcoming as many of our MG family as possible to Sheffield, North West Tasmania, for another fun filled State get together.

PAST EVENTS

For the second year in a row the **October BBQ and Britain to 'Bunna weekend** was cancelled. Last year it was covid and this year the wet weather was our undoing. An alternative run was contemplated this year, but the short notice of the cancellation and the difficulty in communicating details of a substitute run to members put paid to this. In order to avoid a repeat of this situation we encourage members who wish to participate in our regular club runs to ensure they have provided the Membership officer with their email details. In future when a change to a run happens too late to be included in the magazine, the Secretary will contact Southern members by email to notify them of the change in arrangements.

25th October – Southern Sub Centre Annual Area Meeting

All existing SSC Committee members were nominated and duly elected to continue in their present roles.

COMING EVENTS

If the wet weather and run cancellation have kept your pride and joy in the garage for too long, don't forget there are the regular Classics by the Beach on the first Sunday of the month (Sandy Bay beach 8.30-12.00) and Wayne's Classic Car Runs (first Wednesday of the month) in addition to the events below.

13th November – Claremont Car and Bike Show

A Trash to Treasure Car and Bike Show hosted by the Claremont Girl Guides will be held on the Village Green, corner of Main Rd and Boxhill Rd Claremont from 10am until 2pm. Entry is by gold donation. Food, stalls and entertainment will be available.

Contact the Car Show Coordinator on 0437 075 623 or email Claremont.girl.guides@gmail.com for further information.

18-20th November – Annual Concours, AGM and Presentation Dinner

The Northern sub centre will host the annual events in Sheffield this year. Register by 11 November. Details are in last month's magazine.

11th December - Hobart History Tour

Meet at the Civic Club at 10am, leaving between 10 and 10.30, finishing at 12 for lunch. Due to difficult parking at some of the destinations, this run will not be a convoy, you will be asked to leave individually.

The purpose of this run is to look at the work of Tasmanian artist Joseph Connor. We will be going to the sights of some of his paintings, see what he saw in the 1920's and how the view may have changed.

This run will take a route through Hobart, Sandy Bay and Kingston, finishing at the Waterworks, Dynnyrne, for a BYO everything picnic/BBQ. The route instructions will give you the address of your destinations but it is up to you to decide on exactly how to get there **so please bring your favourite navigation aid** – electronic or street directory. There is no competitive element to this run, I hope we can have some fun and see some of our local sights and history. The drive will not be difficult so bring your MG, sports car or something interesting!

To RSVP or for further information please contact Alan Briggs: 0475 089 560.

13th December – Christmas BBQ

An evening BBQ to be held at the Civic Club.

To RSVP or for further information please contact Chris Wagstaff: 0438 055 199.

14th/21st January – South East Rally

Organised by the Post Vintage Car Club, the South East Rally commences at the top car park of Wrest Point. The route and destination are given at the start. The rally takes entrants on a day's drive through the beautiful country roads of Southern Tasmania. Entry is open to vehicles manufactured up to 2013, including motorbikes. The rally for 2023 will be held on Saturday 21st January. Entry fee is \$40, which includes a beautiful metal badge for your car. There will also be a classic car display held one week earlier (14th January) at Parliament House Lawn from 9.30 am – no entry form required, just bring your vehicle along. **An entry form is required for the rally and can be downloaded from the PVCC website, www.postvintage-tas.org.**

Defibrillator Training

A weekend defibrillator training course will be held at the Civic Club later in the year. Further details will be provided closer to the event.

Secretary: Nomination received for - Paul Rossetto

Treasurer: Nomination received for - Peter Harper

Committee Members

Nomination received for - C. Busato

Nomination received for - R. Phillips

Nomination received for - W. Daly

Nomination received for - M. Dilger Northern Notes

Coordinator

Nomination received for - P. Paine

Nomination received for - G. Biggelaar

Our other important event for the club calendar is the annual AGM and Concours to be held at Sheffield from Fri 18th Nov to Sunday 20th Nov.

Those attending will have the opportunity to elect the State Committee for the coming year and to participate in the last competition event for the club for the year the Concours de Elegance.

The annual dinner and trophy presentation will be held on Saturday Night and represents the culmination of the club's activities for the 2022 year.

The Northern Sub Centre will be responsible for running the annual Concours and Presentation dinner for 2023 so we will have the opportunity to make this a memorable event for the club next year.

We also have our May Day event again in 2023 with the objective of commemorating the 100th anniversary of the founding of the MG Marque which was started in the UK in 1923.

Whilst our objective last year was to get together 100 MG's the event retains that objective next year but with the added incentive of getting 100 MG's at the venue to commemorate the 100th anniversary which is a very important milestone in the Marque's existence.

This will be held next year on April 30th 2023 at the National Automotive Museum in Lindsay St Launceston and will provide more details closer to the event however we can advise that there will be two very interesting cars as the feature cars on the day, an old one and a new one.

Put this date in your calendar for next year because we will need your MG.

For those who enjoy a good run then don't forget to register for Bill Daly's run on Nov 27th when we will meet up with the North West Member for Lunch at Deloraine.

There is Morning Tea along the way to give members time to catch up. Don't forget to let Bill know by 23rd Nov (see coming events for details.)

Mid-week dinner Rosevears Hotel

On a wet and cold night 22 of us set off to travel along the West Tamar to the Rosevears Hotel however somewhere along the way we lost our Jim Dickenson but the night went on and as usual we enjoyed a nice meal and good social interaction of all those who participated.

Morning coffee run to Mario's in George Town

We gathered at the Windsor Park Soccer Grounds and once again it was raining for the start but soon fined up once we got going.

We had 20 members gather and although the weather was inclement we had 9 members come along in their MG's.

We headed off down the West Tamar turning off along the water front through Gravely Beach, Deviot and on to the Batman Bridge.

After crossing the bridge we continued down the East Tamar to George town to the town centre for Coffee and morning tea at Mario's.

Whilst we were there the Rolls Royce Club of New South Wales came to town and collected their take away coffees and shortly thereafter a mainland Porsche club was see arriving in town as we were leaving.

TJ Humour for November

Charlie and Joan had been married for 65 years, recently both were having trouble remembering tasks.

Joan decided they both should seek help. After a visit to their family doctor, they were informed it was part of growing old but the Doctor suggested they start writing down tasks they wished to do on a note pad. They both took the Doctors advice and brough note pads. So that evening Joan said to Charlie “can you get me bowl of ice cream – write it down on your pad”. “And, add some strawberries on top - write it down on your pad”; “and put cream on top too – write it down on your pad”. Charlie said “I don’t need to write all that down – I’ll remember” and he disappears to the kitchen without his pad. Some 20 minutes later Charlie returns with a plate of cooked eggs and bacon for Joan. Joan accepts the egg and bacon Charlie prepared and said to Charlie – “you forgot the toast”!

116th Wayne's Classic Car Run

On a rather cool but fine day 60 intrepid souls in 35 cars ventured forth from the Rivulet Café in South Hobart. It was nice that our dear friend Paula came to say hello. The group was led off by Kevin McGuire in his beautiful red MX5 in a very orderly fashion. In spite of Google we didn't lose anyone on the way although I suspect a few may have taken a short cut (tut-tut). We travelled on a picturesque route through the seaside suburbs of Sandy Bay, Tarooma, Blackmans Bay, Howden and Snug to The Oyster Cove Inn at Kettering with lovely views over the Marina and the D'Entrecasteaux Channel to Bruny Island.

The Owner, Ron, was well prepared for us with an extensive menu including 7 options for main and 2 for dessert for the sweet price of \$25.00. I have been thinking lately with everything going up that we may need to increase our price range, but this was exceptional. No sooner were we seated than the efficient staff took our orders and next we knew our meals were on our tables a credit to Ron and his staff. I have received some great feedback on the run, thanks to all. I hope everyone enjoyed the run as much as Di and I and judging by the ambience I think they did.

Fortunately the venue was very flexible and was able to accommodate the fact that I had 12 very late replies and 4 last minute cancellations, meaning that our numbers were 8 more than I had advised the venue on Monday night. We might not always be so lucky, so please endeavour to reply by the cutoff time of 5pm on the Monday before the run. I appreciate that it is not always possible but the cutoff is there for a reason to enable the venue to be able to cater for our large numbers.

Square Rigger Notes

All Pre War, T and Y Type MG's.

You may not believe this when I tell you the skies cleared away to a bright sunny windless day absolutely devoid of precipitation, apart from the raining of yarns at the coffee shop!

Most importantly and yet again we are introduced to a freshly restored TD, this belonging to Jamie Gillam of Burnie. Jamie has been restoring (his first) for just a few years, on the road earlier this year and this day joining the Square Rigger Register group for a day out.

The contingent from the NW coast now swelling with the addition of two restored TD in recent times and yet another TD under rebuild near Devonport.

A fairly striking image of the T Typers engrossed in the lunch stop at Deloraine following a tour of gardens and sheds at Dairy Plains with many thanks to our host Neil.

A large impressive collection from all motoring eras with no general theme, just a glimpse of the Riley Imp, Lagonda Saloon and Fiat behind. Also including trucks and tractors.
