VALE – John (Jack) Frost RIP

At just 68 and recently retired, John suffered a fatal heart attack on Friday the 28th of September.

John is survived by his 2 daughters Emily and Sarah, and partner Yvonne.

Johns funeral was held at the Finney's Franklin Grove Chapel, Youngtown where many MG Car Club members with their cars joined with Johns immediate family and close friends to remember a true gentleman and car lover.

John spent 40 years as a Marine Engineer which fuelled his interest in trains and cars.

He has left behind a shed full of part restorations which were to be his retirement projects.

Presidents Report

I love meeting enthusiasts; it's hard not to get caught up in their passion.

John (Jack) Frost was one such enthusiast.

On one of our first meetings he told me, "what rubbish old cars MGB's were", so I knew I had my work cut out re educating him.

A couple of weeks ago opportunity knocked, Jack was forced to accept the passenger's seat home in my "Rubbish Old B", in that journey of over an hour I learnt a lot about Jack's likes, dislikes and ambitions, heard his stories about each of his growing collection of classic cars and how in Jack's words at the end of the journey "he'd changed his mind about MGBs" and "he'd love to drive it sometime".

What an enthusiast, sadly missed.

I'm sorry I couldn't attend the Baskerville Historics Meeting but I've heard nothing but praise for this year's event, from club members and neighbours alike, so I take this opportunity to thank all you enthusiasts who organised, ran and competed in this huge carnival of classics.

Congratulations on another successful year, you've done your club and yourselves proud.

Phil Tilley

Ed Says

Firstly my apologies for the lateness of this month's magazine, but unfortunately I had short notice and other plans whilst trying to get all the information to put in the magazine.

Taking back over as editor in this way is not what I or anyone else for that matter, thought would be happening. Hardly a month went by without John calling me about something to do with the magazine or his ongoing internet issues. It is strange, but I cannot bring myself to delete him out of my phone contacts list.

As there has not been and cannot be any handover from John to me, should anyone have any articles or photos that they had sent to John and had not been printed yet, please send them through and I will get them into print for you.

I would also like everyone to use the editor@mgtas.org.au email address, I have it linked to my outlook and that is my preferred contact email for magazine and state committee items.

Our next magazine will be more organised, so send in those photos and stories, your parents should have taught you how important it is to share.

PAST EVENTS

16 September – Marquis of Hastings

A group of 15 left the Civic Club just before 10.30am on a rather cool morning for a leisurely drive to Claremont House for morning tea.

A lady greeted us on arrival and our host, Adam, was very hospitable, with a brief chat about the building and what he had to offer us.

After tea/coffee and a scone with jam & cream, we continued on our drive to the Marquis of Hastings Hotel for lunch, via Granton, Bridgewater, East

Derwent Hwy and the Tasman Bridge.

We arrived right on 12.30pm to a full house and enjoyed a 3 course hot and cold buffet for \$25/head, plus a drink (or two). It was very good value and most left feeling fuller than they should!

MG Car Club of Tasmania – MG Monthly Motoring News, October 2018

We're still trying to work out why Shane's vest was so "puffed up" when he left- was it the plastic takeaway container tucked under it- or perhaps the 5 desserts he'd eaten....?? Might have been the latter based on the look on Stephen Huntley's face!

Lyn Cengia

21st 23rd September – Baskerville Historics. The weather gods smiled for a change. The bit of rain on Sunday only added to the excitement of the racing. Bumper crowds of more than 5000 added to the spectacle and should go a long way to clearing the outstanding debt for the track resurfacing and all the other improvements. It now has its own momentum for the future. With the arrival of the McLaren M8F and the Benetton B186 we saw the Baskerville lap record beaten twice in the same race! We now have 48.82 to beat maybe next year. The event is now included as a round in the Australian Heritage Touring Cars Championship.

Convicts to Classics

With unbelievable weather it was seven North West members who attended this event:

- new members Rod and Marianne Hingston were there in there recently acquired ZB Magnette ,
- Peter Richards and Terry (Collingwood) and Colleen Jeffrey drew the attention with their TC's
- and Margaret and I attended in our MG B roadster.

Entry to this years event was a huge improvement on last year which had us queued up on the main road for some time. Gone were a number of stalls from past events but other attractions more than made up for it, that being an excellent turn out of cars, bikes and the music was from a period that most of us knew the words to. A very social and enjoyable day.

Combined North and North West Christmas Function, Sunday November 25th
Full details of this event will be in next month's magazine.

Shannons Classic Car Charity Run, Sunday Dewcember 9th
Full details of those travelling from the North West will be in Novembers magazine.

NON-DESTRUCTIVE TESTING SERVICES

Mechanical, Structural, Automotive crack testing & condition assessment of all ferrous and non-ferrous materials

Mechanical components are subjected to stresses in service from dynamic and static loading, temperature changes and corrosion resulting in cracking which can remain undetected visually until there is a catastrophic failure. This can be accelerated by exceeding design loads, inadequate maintenance or remaining in service in excess of the lifespan intended by their designers.

The correct NDT method applied according to strict guidelines by a trained and certified technician can detect cracking in metallic structures, welds, castings and forgings before they are large enough for the part to fail in service.

For advice and applications talk to **Chris Blake** to discuss your requirements large and small, I have tested everything from wheel studs to Hydro turbines. Full reporting provided to Australian Standards, I am certified to AS3998/ISO9712 with the Australian Institute of Non-Destructive Testing (CB# 4679) and carry full public liability insurances.

BULLETIN #2

THE GOLDEN JUBILEE MG NATIONAL MEETING
2019 - REDLANDS QUEENSLAND

OCTOBER 2018

It is time to start planning your trip to Queensland for the 2019 National Meeting.

Our dedicated Committee has been hard at work overcoming what initially appeared to be almost unsurmountable obstacles, and this has caused us to adopt some significant changes to what was proposed in Bulletin # 1

The Queensland Licensing Laws do not allow the service of alcohol on Good Friday unless it is in conjunction with a meal in a part of the premises that is ordinarily set aside for dining. This has meant that the proposed venue of the Noggin and Natter did not comply, and so the search was on for a licensed restaurant that could accommodate us.

The Alexandra Hills Hotel Conference Centre (which was already chosen as a venue for the Farewell Breakfast) could satisfy this requirement.

How does this affect you?

Well, the maximum number that they can legally accommodate in their largest function room is 350. This means our numbers have to be capped to 350 overall. This has also caused changes to other venues. While some of the venues have altered, the traditional functions have not, however. It's full speed ahead from now on.

We recommend that you register early so as not to miss out. Registration will be open before Christmas holidays so keep an eye on our new Nat Meet website for details mgnationalmeeting.org.au

TIME LINE OF NATIONAL MEETINGS

How are those old photographs going for the Time Line? Have you started going through those old slides and photographs and earmarking them yet? These photos will need to have been taken at any of the 49 National Meetings. They will more likely be selected for inclusion on the ***Time Line*** if they have people and cars in them. (A car by itself could have been taken any time.)

Please only submit about 2 per meeting, so be very selective. We will need the who, what, where, when and why on each photo, THANKS.

Electronically -They will need to be sent to Delia & Peter Rayment at peterrayment@bigpond.com or memorabilia@mgnationalmeeting.org.au or as an attachment to the email as a jpeg file, 2-3 Mbytes, to keep reasonable resolution. Don't send too many in one email, as we may not be able to access them. Definitely nothing off an iPad either thanks, we can't do anything with them.

No email facility -For those who do not have access to email facilities please post a **photocopy of your original** to our home address - 32 Coveys Road, Tinbeerwah. Q 4563. We ask for photocopies as we do not want to have to be posting originals back to people.

The whole collection – It is envisaged that after the 50th meeting, all the photos submitted will be available on our website for people to download if they want to make their own book of photos.

Cut off time for photographs will be a month before Easter. So the sooner the better OK. We look forward to lots of photographs.

The MG Car Club of Queensland invites you to come and help us celebrate 50 years of National Meetings at Easter 2019.

Expression of interest and enquiries to enquiries@mgnationalmeeting.org.au. More details of Redlands attractions, accommodation options, cut off dates and prices can be found on our new website mgnationalmeeting.org.au.

SQUARE RIGGER NOTES

All Pre War, T and Y Type MG's.

A thoroughly successful weekend of historic racing at Baskerville was enjoyed by thousands, again congratulations to the organising committee, competitors and the spectators. A section of the hill Sunday similar to the previous day crowd. And who couldn't enjoy the great cars present, the Ellis MGA on the track for nearly 60 years. A range of historic cars too numerous for this page and T Type MGs present both days. Seen chatting, a pair of TC owners and competitors of years past.

With great sadness we recognise a magnificent motoring enthusiast in John (Jack) Frost who passed away recently. Jack was a great competitor and in the bigger picture a real contributor to the many organisations he was connected with. Typically at Baskerville the previous week, competing, photographing the event for this magazine and enjoying contact with many motoring associates. A genuine gentleman, John Frost will be greatly missed.
